

# Mayors, Unions Cooperating to Stem Loss of Jobs in This Area

By WILLIAM F. WINTER  
Editor

**Trouble?**  
Right here in "river city" it sounds like a line from "Music Man," but nobody was singing Monday night as Quad-City mayors acknowledged the economic and employment problems and explained what they have been doing about them.

The subject came up during an annual meeting at which the Manufacturers Association of the Tri-Cities honors public offi-

cials. Mayors John E. Lee of Quad-City and Mike Sargent, Madison reported on their joint activity with Mayor Donald Partney of Granite City, who was not present, due to a city council session.

The mayors have met with a number of union men and feel there is growing concern and widespread willingness to cooperate in seeking solutions. Further discussions are under consideration.

Current problems are outlined as including:

Employment at 65 major Quad-City firms as of Jan. 1 has followed a downward pattern—19,339 in 1965, 17,627 in 1966, 16,738 in 1967, 16,218 in 1968, 16,658 in 1969, 16,600 in 1970 and 14,746 in 1971. The July 1, 1971, figure was 13,884. No large new plants have been added since the mid-1960s. Some firms have closed or reduced their staffs.

January unemployment has climbed from 1,475 in 1966 to 2,250 in 1971. During the same years, July joblessness has risen from 2,600 to 2,650.

Employment in Illinois rose 2% from 3,322,000 in 1960 to 3,377,000, but Oklahoma climbed 33% from 381,000 to 507,000, Texas 44% from 2,531,700 to 3,639,900; and Arkansas 45% from 367,200 to 532,000. Dow Chemical Co., once active in Madison, has shifted emphasis to Arkansas.

Hampered by drainage needs, annexation attitudes and antagonism by some public officials toward new homes, apartments and commercial centers, Quad-City population growth is unsatisfactory compared to the Collinsville-Edwardsville area.

School enrollment has held constant or decreased slightly here in the past five years, compared to a former annual growth pattern of 500 pupils.

Some stores have closed and Quad-City retail sales—when adjusted to offset the effect of inflation—show a decline.

The United Fund goal has not been reached for several years and pledges are 12% below what is needed to operate UF agencies in 1972.

Sharply rising local taxes have placed a big burden on the tax base, the combined rate in Granite City advancing from \$5.21 in 1969 to \$5.47 in 1970 and a projected rise in 1971-72 to \$5.63 for the next tax year.

Madison has shown a \$4.61-\$5.28 rise in 1969-70 and Venice \$4.39-\$5.50.

Richard L. Lich, president of the Manufacturers Association and president of the Castings Division of General Steel Industries, cited intense competition with U. S. and foreign firms and rapid gains in the cost of doing business.

Paul Akin, Laclede Steel Co. president, said jobs at the Laclede plant in Madison have dropped from 981 to 365, equivalent to a \$12 million plant investment.

Ray Dickerson, director of the Illinois Department of Business and Economic Development, explained state services and promised cooperation to improve the Quad-City economic outlook.

B. J. Hunter, vice-president, Marshberry's Division of Miles Laboratories, reported serious problems in keeping costs consistent with revenue.

Mayor Lee said that, reduced to simplest terms, labor groups fear companies "are hiding a second set of books" and industries feel staffs "aren't producing as much as they could."

Lich summarized the discussion by saying that the Quad-City area is blessed with "all the ingredients needed for success" and "has no problems that cannot be jointly overcome by workers, businesses and the community."

**WEATHER OUTLOOK**  
Rain continuing today with a high about 47. Low about 37. Rain Friday and Saturday with a high in the 50s. Continued cool Saturday.

## Truck Kills \$2 1/2 Million Shopping Center on 1st Reading

By HARRY BARNES  
Press-Record Staff Writer

**Venice Man**  
Charles Dalton Cartwright, 71, of 133 Third St., Venice, was injured fatally when he was struck by an eastbound tractor-trailer at the west end of the Broadway viaduct in Venice at 8:50 p.m. Tuesday.

Witnesses told police Mr. Cartwright was walking from the north side of Broadway and stopped on the center median. The truck, driven by Cloine R. Smith, Independence, Mo., was approximately six feet from Mr. Cartwright when he stepped from the curb into the eastbound lane, police reported.

The truck swerved to the right but was unable to avoid striking the pedestrian. Cartwright was thrown to the right side of the truck near the curb into the eastbound lane, police reported.

He was taken by ambulance to St. Elizabeth Hospital where he was treated for a laceration to his scalp and an abrasion to his forehead. X-rays were taken and he was transferred to Firm in Desloge Hospital, St. Louis, where he died at 9:45 p.m.

**Native of Tennessee**

Mr. Cartwright was born in Dover, Tenn., and resided here 1929 with his sister and brother-in-law, Mr. and Mrs. Michael (Leina) Leatherman in Venice.

He retired five years ago from the Castings Division of General Steel Industries where he was employed as a maintenance worker 44 years. He was a member of First United Methodist Church of Venice.

Surviving besides his sister are three nephews, Michael Leatherman of Rolla, Mo., and Lloyd and Paul Cartwright of Dover, Tenn.; one niece, Mrs. Clyde (Floyd) Hendricks of Oak Grove, Ky., and three grand-nephews.

Funeral arrangements may be found in today's obituary column.

**0 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY**

Final action on an ordinance that would vacate several unused street areas and clear the way for construction of a \$2.5 million shopping center complex along a three-block stretch of Namekigi Road was held up by the Granite City council Monday night.

Council members voted unanimously to place the ordinance on first reading, but declined to consider final passage in Monday night's meeting, pending a study of the effects the street vacations may have on economies of city sewers or drainage lines.

Several aldermen also objected to final passage of the ordinance, which would vacate a portion of the bill at that time without an opinion from City Attorney Leon Scroggins as to the form of the ordinance.

The ordinance was prepared by Maurice Dailey, attorney for Henry Ross, Granite City contractor and one of the developers of the proposed shopping center. Dailey was present during the council session, told the aldermen that he had presented the ordinance to Scroggins for his approval and that he presumed Scroggins had checked the ordinance before it reached the city council Monday night.

The bill provides for vacating a one-half block stretch of Manly Avenue and a one-half block stretch of Amos Avenue located in the old Richmond subdivision. It also provides for vacating a portion of a one-half block street that never was developed within the subdivision, according to Dailey.

Ross said after the meeting that vacation of the streets is necessary to consolidate the land within a tract of approximately 15 acres on which the proposed shopping center is to be built.

Ross noted that the center would produce about \$50,000 in taxes for Granite City taxing bodies.

No date for beginning construction has yet been set, the contractor said, but work on details are resolved. Plans are now being prepared, he said.

**Woman Killed in Route 151 Crash**  
Mrs. Clara Curtis, 71, of Wood River, was injured fatally and her husband, D. V., was hurt when their car was driven by Leslie Childers, 2120 Bryan Ave., collapsed on Route 151 at 7:10 p.m. yesterday. Childers escaped injury.

Mrs. and Mrs. Curtis were taken by ambulance to St. Elizabeth Hospital where Mrs. Curtis was pronounced dead upon arrival. Childers was admitted with cuts to his right eyebrow and upper right arm. He was listed in critical condition.

Sheff's deputies said Childers' auto was northbound and the car driven by Mr. Curtis was southbound and turning left when they collided. Both cars continued 60 feet and ran into a ditch.

Mrs. Curtis' body was taken to a Wood River funeral home where arrangements are pending.

Among stores to be located in the center are a Saks Fifth Avenue Store and a Schnuck's Food Town Market, Ross said. Negotiations have been completed for location in the center of a drug store, a men's shop, women's apparel shop and a shoe store.

The center would be located within an area extending from the west side of Namekigi Road to the railroad tracks, between Manly Avenue and Ponton Road. The land is owned by Ross.

The estimated construction cost at \$2.5 million and said he and other backers of the project have estimated an annual business volume of \$15 to \$17 million.

**SERVICE TRUCK** owned by Dron Electric Co. overturned after a large hydraulic boom on the rear caught an overhead telephone cable at 3:15 p.m. Wednesday at 18th Street and Cleveland Boulevard. The cable was broken. The driver was Earl J. Meek of Edwardsville. Observing the accident is Police Chief Norval Veizer.

### News Notes

**Percy, Nowlan on State GOP Ticket**  
U. S. Senator Charles H. Percy (Republican) announced Tuesday he will seek re-election in 1972. Democrats earlier this week selected Congressman Roman Pucinski to run against Percy.

Percy also stressed that he favors an Illinois airport to serve the St. Louis area. Gov. Richard B. Ogilvie (R) on Tuesday said he wants as his running mate for lieutenant governor State Rep. James D. Nowlan, 30, of Toulon.

Harry A. Lutz, Belleville executive, and East St. Louis Street Commissioner Robert Mays plan to vie for the GOP nomination to oppose Congressman Melvin Price (D).

Thomas Welch, 32, Collinsville, is the top contender for GOP state's attorney slating. State Rep. Robert Walters said after a screening meeting Tuesday. In-candidate W. Griffith Jr. does not plan to seek re-election.

Democrats endorsed Cook County State's Attorney Edward V. Hanrahan Tuesday for reelection and U. S. Senator Adlai Stevenson said he will not support him.

The executive advisory committee of the East-West Gateway Coordinating Council decided 11-6 yesterday that the proposed Columbus Waterloop area fits into regional plans. It supported an \$8.4 million federal grant request to buy land, and approved reports on the expected environmental effect.

**Crime Drops Again**  
Police called attention to the police department report which showed a continued decrease in crime. The report showed a total of 32 crimes during November.

**Mayor Will Outline Treatment Bond Plan**  
A proposal for financing further engineering work and initial construction phases of the city's sewage treatment program — a plan that will involve issuance of revenue bonds — was outlined to Granite City aldermen by letter within the next week, Mayor Donald Partney told council members in a regular meeting Monday night.

The mayor's announcement climaxed a lengthy discussion of the city's financial problems in proceeding with detailed planning of the proposed sewage treatment plant, a factor that presently has halted all work on the project.

**BIRTHS.**  
Births recorded at St. Elizabeth Hospital:

# Hospital's Move Today

Thomas Brinberry, Pontoon Beach, told the Press-Record on Tuesday that he is willing to tell a Madison County Grand jury the identity of a man who allegedly threatened him.

Brinberry had not been subpoenaed as of Tuesday but was issued one yesterday and made plans to report today to the County Courthouse as the jury resumed its deliberations.

Twenty-two persons already have been questioned about allegations of various instances of wrongdoing in the village of Pontoon Beach. The list grew to 25 today with the addition of Brinberry, Mrs. Lillian Singer and Mrs. Rosemary McBride.

Brinberry's willingness to "name the man" to the jury was voiced Tuesday at the Press-Record in the presence of two Press-Record newsmen and Namekigi Township Supervisor Louis Whitsell. The proprietor of White Inn did not say who threatened him but said he would inform the jury if it called him.

Whitsell, one of a number of persons reporting they were threatened in telephone calls, described such threats as a serious offense, particularly if they result in attempted intimidation of a grand jury witness.

The threat which Brinberry refers to was made to him in person and in front of a number of people, he says. It occurred prior to the initial grand jury session on Nov. 19 but after the investigation had been launched, the Press-Record was told.

Supervisor Whitsell distinguished his position in the case from that of Wood River Supervisor Rodger Elble, who he does not agree with many of Elble's statements or with Elble's decision to publicly disclose the investigation prior to its completion. Whitsell told the Press-Record that he is convinced that many of the allegations are factual and that the action by the county government is necessary and commendable.

Whitsell took issue with Mayor Thomas Staico's comment that the investigation is politically motivated.

Whitsell has happened this particular year if it was just politics, the supervisor said. "We didn't choose the (Continued on Page 3, Col. 4)

**GS1 Strike Continues**  
Contract talks between officials of the Castings Division of General Steel Industries and representatives of the striking United Steelworkers of America Local 1022 ended without success yesterday. The negotiators met jointly with a federal mediator and adjourned without agreement. No additional meetings are scheduled.

**Christmas Just 2 Weeks Away**  
With less than two weeks remaining until the Salvation Army distributes its holiday gift baskets, clothing and toys to needy Quad-City families, contributions to the "Tree of Lights" campaign today stand at \$3,851, or only slightly more than one-third of the \$10,000 goal.

Donations to date have included 153 lights on the symbolic "Christmas tree" in the Park across from St. Elizabeth Hospital.

Applications were received last week from 942 Quad-City families seeking Christmas gift baskets from the Salvation Army. The total exceeds last year's requests by 238 families, and establishes a new record-high figure, Captain Ronald J. Kerley, local Salvation Army commander, said today.

It is always the Army's desire to meet the needs of those who are in dire need," Capt. Kerley said, adding, "We want to help the needy and not the greedy." He noted that not all who apply are granted baskets if they fail to meet eligibility requirements.

He reminded other local groups planning to distribute baskets that names of needy (Continued on Page 3, Col. 5)

The new wing is nearly completed, and the first of the patient moves at St. Elizabeth hospital will take place this afternoon, when 34 patients now occupying beds in the 1930-vintage second floor-west addition will be moved to the medical-surgical fourth floor of the new addition.

The move, scheduled to begin at 1:30 p.m., will take approximately two hours and will follow detailed plans worked out by the administration and supporting services. Sister Mary Thomas, administrator, told the Press-Record.

Patients are being transferred according to doctors' orders and under the immediate supervision of nursing personnel. Rooms involved in the old wing are 222 through 244.

This is the first move of patients toward patient occupancy of the new (1969) addition. Subsequent moves will be carried out in practical order to maintain smooth hospital operation, a spokesman said.

The fourth floor of the new wing has been ready by housekeeping and maintenance personnel and has involved the services of at least a dozen other hospital departments, it was noted.

Visitors of patients presently housed in the 1930 addition of second floor-west are asked by the hospital administration to stop at the volunteer's desk in the lobby to learn the room number and location of any transferred patient.

By present thinking, visitors to use lobby elevators to the fourth floor and follow directional signs to the new wing.

Elevators in the new wing are not at present to be used by the visiting public. We've planned our patient move from the 1930 wing to the new addition to be as smooth as possible for the patients, their visitors and our hospital people.

"We know that with everyone's help and understanding, this move and subsequent moves will be accomplished with as little stress as possible," Sister Mary Thomas commented.

Funeral services were held at 2 p.m. Wednesday in Godfrey for Angela Fern Price, 5-day-old daughter of Mr. and Mrs. Alfred Price of Brighton, and a granddaughter of Mr. and Mrs. C. O. Nicholas of Granite City. Burial was in Bethany Cemetery.

She was born on Dec. 1 at Alton Memorial Hospital and transferred Monday afternoon to Cardinal Glennon Hospital in St. Louis where she died at 8 p.m. Other survivors include six half-brothers; two half-sisters and her paternal grandmother.

### Complaints of Pains

Betsy Schulze, 46, of 2336 Warren Ave., complained of pains after an auto in which she was riding, driven by Mae G. Warfield, and another driven by Dennis M. Barbee, 4917 Oak Ave., where in an accident on wet pavement at 9:15 p.m. Tuesday at E. 25th Street and N. Meek Road.

## Grand Jury in Pontoon Beach Study Reconvenes

A Madison County grand jury investigating actions in the village of Pontoon Beach was to reconvene today at Edwardsville.

A total of 22 witnesses, including several village officials, have testified to the jury since the investigation began Nov. 18. Charges being investigated allegedly include use of funds, conflict of interest and misconduct.

Among those assailing the village administration is Roger Elble, Wood River Township supervisor. Several village residents met in Elble's home prior to the opening of the investigation and requested he urge that a study be started by the office of R. W. Griffith, state's attorney, state's Elble said he recorded the meeting.

Elble reportedly presented the tape to the grand jury. He testified on Nov. 30.

Prior to testifying, Elble said he would request appointment of a special attorney and investigators.

"I feel the county is not going to do anything unless forced to do it. They might just let it down and then say to taxpayers, 'It will cost us \$10,000 to prosecute.' They might just let it end," the supervisor said.

Griffith was asked if more witnesses would be heard at today's grand jury session. He would not comment on specific plans but said, "Nothing is set at this point."

Residents have said that several business establishments may have failed to register under the state assumed names law, including a firm owned by a village official.

Another establishment currently under discussion is The Fort, a tavern owned by the wife of Les "Sonny" Caton. Caton is a former business associate of Thomas L. Staicoff, village president.

Caton Enterprises, owned by Caton, operates two car washes, including one in the village. A service station is operated by Paul Bennett, brother of Assistant Police Chief Roswell Bennett Jr. The village has purchased gasoline for police cars and other village vehicles at the station.

Pontoon Beach businesses are registered. But if they are not, it is probably because they did not know of the law, Mayor Staicoff said.

He added, "I did not even know of such a law." "If this is true, even though it is not the village's problem, I will see that all businesses operating in the village are registered immediately."

"There is obviously nothing hidden. Everyone knows who owns various businesses and there has been no attempt to cover anything up," he stressed.

Staicoff said he does not have a part ownership in The Fort. "It is ridiculous. I was in a partnership

with Caton five years ago for only about one month. We operated a bowling alley in Madison but both of us found we did not have time to manage the place and gave up."

"Les managed the alley and managed the restaurant," the village president related.

Caton and Staicoff rented the alley with an option to buy from Madison Mayor Mike Sasyk, Kelly Dutko, brother of Frank Dutko, Madison chief of police, and Harry Briggs, former N. Meek Township supervisor. The bowling lanes have since been converted to the Croatian Hall.

"It is ridiculous for anyone to compare the bowling alley business to the ownership of The Fort. I have no interest in the tavern and never had any," Staicoff said.

Discussing purchase of gasoline for police cars and other village vehicles from the Bennett station, Staicoff said the village awarded Caton a contract for gasoline purchases this summer but Caton has failed to install a pump in the village.

"When that pump is installed, we will honor that contract," the president commented.

Residents have questioned whether the village receives a discount on gasoline.

"We have been purchasing gasoline under a former contract with the Bennett station which the village had before accepting Caton's bid," Staicoff commented. He said a regular discount on the contract does not apply during a gasoline war, and a "war" has been going on since January.

"However, we do purchase the gas at the pump price during the price war, minus state and federal taxes. I have filed a request for a tax rebate to recover all tax for gasoline that we have paid since the village was incorporated."

### Home Ransacked, Looted

The home of Edith Sullivan, 2627 Circle Drive, was ransacked by a burglary, she reported at 9:15 p.m. Tuesday. Entry was gained through a bedroom window. Items missing included three flashlights, a transistor radio, five foreign dolls, a camera, a pocket watch, a chain, two wrist watches, a camel whip and miscellaneous men's jewelry.

### Registration Open for Emergency Care Class

Area ambulance drivers, police and fire personnel still may register for the "Emergency Care Seminar" to be presented from 8 a.m. to 5 p.m. Saturday in the Wesman Room at St. Elizabeth Hospital.

Last minute registrations will be accepted by calling the hospital at 576-2020, Extension 372. An excellent turnout is anticipated based on the number of those already registered, a spokesman for the hospital said today.

Nine physicians, an attorney and a therapist will serve as guest lecturers and panelists during different segments in the day-long program.

Among the speakers will be Dr. Zaki A. Sheikh, Curt Jackson, Dr. Robert D. Blankenship, Dr. Terry S. Randall, Attorney William W. Schooley, Dr. Donald C. Schnellmann, Dr. Alejandro M. Datuin, Dr. Alan H. Morris, Dr. Hector N. Zevallos and Dr. Lorenzo P. Maun.

### Attempted Burglary

A door was knocked in and locks were broken off the front gate in an attempted burglary at Reeves Concrete Co. on Circle Drive, it was reported this week. Nothing was missing.

### Man Faces 3 Charges

Wilbur Wallace, 2553 Circle Drive, was arrested this week at his home on charges of disorderly conduct, intoxication and resisting arrest, police reported.

### Junior Achievers on Way to Success Here

Junior Achievement companies operating at the Granite City JA Business Center are well on their way to success and a better understanding of business.

Just nine weeks ago when the JA program for 1971-72 began, almost 260 area high school students met for the first time in form 17 miniature corporations. Since then they have elected officers and have been involved in the manufacture and sale of their company products.

Helping these JA companies to achieve success are teams of advisers from seven Granite City corporations: A. O. Smith Corp., American Steel Foundries, General Steel Industries, Granite City Steel Co., Marshalls Division of Miles Laboratories, Southwestern Bell Telephone Co. and First Granite City National Bank.

The business men and women from these counseling firms lend their professional advice to the JA companies while the Achievers handle all facets of company operations.

Recently the JA companies received their official operating charters from Junior Achievement Inc. of New York.

A few of the products being manufactured by the Granite City JA companies this year are stiffs, a flagpole, embossed personalized matches, a child's step stool, Bar-B-Q grill and an

automobile emergency light. A full-service Junior Achievement bank is also operating which provides complete banking facilities for the JA production companies. Product sales for the JA companies operating in Granite City have already topped the \$2,000 mark.

Student Achievers participating in JA are from Granite City, Assumption, Madison, Venice and Collinsville High Schools. Each JA company meets one night at the Granite City JA Center, 3307 Wabash Avenue. This Business Center is one of the 14 JA Centers operated by Junior Achievement of Mississippi Valley, Inc. in Metropolitan St. Louis.

### Stolen Car Recovered

The car of Robert Jones, 111 Lee Wright Homes, Venice, stolen from his home Monday, was recovered by Venice police in the 1200 block of College Street a short time later.

### TV Set, Radios Stolen

Hilda Stevens, 2359 Nameoki Drive, reported this week that a 19-inch portable television set and two portable radios were stolen from her home.

### Eggs Thrown on Home

Beverly Hartenbach, 704 Primrose Ave., reported at 9:45 p.m. Monday that someone threw eggs over the rear of her home.

**Mrs. Caddie Epperson**  
**Dies; Ill Ten Weeks**

Mrs. Caddie (Smith) Epperson, 76, of 2446 Hodges Ave., died at 5:30 a.m. Tuesday in Jewish Hospital, St. Louis, where she had been a patient for the past three weeks. She had been ill the past ten weeks.

She was born in Evansville, Ind., and had lived in the Quad-City area for the past 61 years. Mrs. Epperson was a member of the Sacred Heart Roman Catholic Church.

She is survived by her husband, Floyd James Epperson; four daughters, Mrs. Wilbur (Katherine) Preloger, Mrs. Walter (Mary Lee) Rotzky, Mrs. Thomas (Betty) Christopher, Mrs. Elvin (Caroline) Simpson, all of Granite City; two sons, Thomas Epperson of Granite City, and Walter Epperson of Collinsville; two sisters, Mrs. Arthur (Esther) Schmidt, of New Douglas, Ill., and Mrs. Ebb (Hazel) Swigert of Collinsville; one brother, William Smith of Venice; 15 grandchildren and four great-grandchildren. She was preceded in death by one daughter, Miss Alma Epperson.

Funeral arrangements are listed in the obituary column.

### 19th-State Accident

### Guarantee

Any passenger retread tire when used in normal passenger car service, which fails due to defective workmanship and materials, blowouts, fabric breaks, cuts or snags, which in our opinion renders the tire unserviceable, will be considered adjustable. This program does not apply to retreads with replaceable punctures, tires irregularly worn, tires damaged by running flat, fire, wrecks, collisions, chain cuts or obstructions on the automobile, nor does it apply to tires when used on vehicles other than a passenger automobile or a passenger automobile being used for commercial purposes. Any qualified retread which fails due to an adjustable condition and is presented to a BFG store, or authorized Dealer Retreader, for replacement, by its owner, shall be adjusted promptly and in the same manner as a new tire, according to treadwear and controlled on current exchange price for the same size and type passenger tire retread.

## Cougar Cagers Bow 78-77

A pair of free throws in the final seconds gave Missouri State Teachers College of Kirksville a 78-77 edge over the Cougars of Southern Illinois University - Southwest Tuesday night at the Edwardsville High School gym.

Joe Boyer bucketed the pair after Kirksville's George Saffarian scored to cut a Cougar lead.

The Cougars of Coach Jim Dudley were behind 30-14 in the first half but came back to tie it 40-40 at the half. The lead changed hands in the second half before Gene Bounds, 6-8 center, put SIU-SW ahead 75-72.

Tony Johnson totaled 28 points to lead the Cougars, while James Mackey followed with 14. Bounds 10, Sam Holmes 7, Dave James 6, Jerry Blaudow 4, Roy Withoff 2 and Denny Thronburg 1.

The Cougars totaled 25 field goals and 29 free throws and were charged with 22 fouls, while Kirksville shot 27 from the field and 24 from the charity stripe and committed 25 personals.

It was the second loss of the season for the Cougars who bowed in the opener to the University of Missouri-Rolla.

The Cougars will host the University of Wisconsin-Milwaukee tonight and will travel to Eastern Michigan Saturday night.

## Cage Trojans Battle But Bow to Central by 55-46

The basketball Trojans of Madison High School bowed to St. Louis Central 55-46 in a road game Tuesday night.

Though Central led all the way, the game was close most of the distance as the Trojans stayed on the heels of the front runners. Quarter-time scores were 10-8, 27-23 and 38-36.

Central boasts one of the top-rated cagers in the St. Louis area in Percy Wells who took scoring honors with 20 points. Terrance Young led Madison with 20.

The Trojans bucketed 20 free throws but missed four in the final quarter. Central sank 13 from the charity line.

The offensive of the Trojans continued to lag with a shooting average of 20%, 13 of 63 attempts. Central made 21 from the floor.

Ed Chandler and Sam Byrd of the Trojans scored early in the fourth stanza as Madison committed 19 fouls and Central 25. Young was the top rebounder, snagging 14, as MHS led off the boards, 40-34.

Others scoring for Madison were Chandler with 8, Quincy Canada 5, Vernell Glasper and Larry Evans 4, Byrd 3 and Emory Wilson 2.

"We played a hard game, and I am pleased with the progress the team is making," Madison Coach Larry Graham commented. "Our defense is doing fine but we lack an offensive punch."

"If the team keeps working and playing hard we will finish with a respectable season. They seem to be developing a will to win. All they need is a lot of hard practice and some experience."

Belleville East will travel to Madison for a game on Dec. 14 beginning at 8:15 p.m. The junior varsity will play at 6:30 p.m.

## Cougar Matmen to Compete In Tourney During Weekend

Coach Larry Kristoff will take his Southern Illinois University-Southwestern wrestling team to Southwest Missouri College at Springfield Friday and Saturday to participate in a tourney.

The Cougar grapplers have a long wait, until Jan. 21, before engaging in a home dual meet against strong Western Illinois University, one of the four teams to beat SIU-SW in last season's 11-4 record.

So far, the Cougars defeated Southwest Missouri 38-12 in the only dual meet, and Coach Kristoff's team lived up to its advance billing at last Saturday's Illinois invitational tournament at the University of Illinois.

The Cougar wrestlers, paced by 190-pounder Bob Underwood and standout Jan Gitcho in the 126-pound class, finished first, second, third or fourth in eight of the nine events.

Underwood pinned Al Mohorn of Triton Junior College in 30 seconds, while Gitcho of Granite City defeated the Big Ten Conference defending champion, Mark Massery of Northwestern University, in overtime on the referee's decision. The Gitcho-Massery match was by far the best of the tournament.

Team Capt. Phil Janewicz was the 154-pound consolation champion. Dave Cross took a third in the 142-pound division. Mike Taylor was consolation champion in the 150 division. Russ Baum, 158-pounder, took third in his division.

Roxana's Perry Allison was fourth in 167-pound division, while Ed Wendell, in another clutch-hanger, lost to SIU-Carbondale's Bill Samuels in the 177-pound event. Heavyweight Bruce Illies was the only Cougar loser.

## Williams Hits 26 As Sophs Win

Dale Williams scored 26 points as the Granite City High School sophomores caged edgy St. Louis Grigsby 33-22 Tuesday in a road game.

Williams was sharp, sinking 11 of 12 tosses from the free throw line and seven of 11 attempts from the floor.

Grigsby held quarter-point leads of 13-12, 30-23 and 41-36. Now 1-1 under the leadership of Coach Dick Harmon, the local team travels to Collinsville for a 6:30 p.m. game today.

## Warrior Grapplers in Ritenour Tournament

The Granite City High School wrestling Warriors will travel to Overland, Mo., tomorrow afternoon for the first round of the rugged eight-team Ritenour Invitational Tournament.

After nearly one week of rest, the undefeated wrestlers will meet opponents from Ritenour, defending champion McCluer, Riverview Gardens, Mehlville, Pattonville, Normandy and Hazelwood high schools.

City finished third in the event last year. The first round will begin at 6:30 p.m. Friday. Competition will continue at noon Saturday with the semi-final round and the finals are slated for 7 p.m. Saturday.

The expected starting lineup for the Granite City squad will be Pat MacMillan at 86 pounds, Gary Loy 105, Harry Miller 112, Kerry Johnson 119, Kevin Kiebur 126, Dennis Ragan 132, Doug Wilson 138, Charlie Mayfield 145, Rich Paschedag 155, Jack Schooley 167, Tom Kalert 183 and Craig Stephens heavy-weight.

While the varsity grapplers are fighting for championships in Overland Saturday, the junior varsity squad will travel to Florissant, Mo., to battle in the McCluer High School Tournament. The first round in that tournament is slated for 1 p.m. Friday, Dec. 10.

## Ice Hockey for GCHS Seen in Far Future

An ice hockey program as an interscholastic activity for Granite City High School is at least two to three years away, Joe Fedora, athletic director, told the Board of Education Monday night.

Reporting on a feasibility study he completed, he advised the board of ice hockey as an interscholastic possibility in the future.

After conferring with park district officials, Fedora said the Wilson Park ice rink could be made available, but he said he doubted if available ice time could be arranged to support two high school programs as construction is underway for the second high school here.

## Assistant Coach OK'd at Grigsby

Addition of an assistant coach for the wrestling program at Grigsby Junior High School was approved by the Board of Education Monday night.

Joe Fedora, athletic director, told the board that 51 boys are on the squad at Grigsby, and it was difficult for one coach to manage.

Two coaches are employed in the Coolidge Junior High School wrestling program which has a roster of 50 youngsters, and Fedora asked that consideration be given for an assistant next year at Prather Junior High School where the program is growing and now has 35 boys on the squad.

He said he was opposed to construction is underway for the second high school here.

Pick the right day to test drive a Volkswagen  
and you'll have the road to yourself.

Back when the weather was better, everybody was itching you to come in and test drive their new whatevers. But now that the weather isn't so hot and a test drive is really a test, the invitations have dropped off sharply.

Now maybe you can spare a little time to try out the new Volkswagen.

Not right this minute. Wait for a nice lousy day. The next time it's snow or slushing or something like that, drive down to your Volkswagen dealer. (If you can make it in your car.)

He'll be happy to take you out and show you how a Volkswagen works when hardly anything else does.

How the weight of the motor on the rear wheels makes the VW dig in and go in the snow or the mud, or even on ice. As you pass all the stranded cars that posted their test drives in balmy days, he'll tell you about the VW's other cold-weather comforts.

The air-cooled motor. It doesn't freeze over, so it doesn't need anti-freeze or a winter thermostat.

And if you have to leave the car out on a cold wet night, it's got four coats of paint and a sealed bottom to keep it cozy. You've even got an edge with a VW if the worst happens and you get stuck. What could be easier to push?

## Red Devil Cagers Roll Over Worden by 85-57

The basketball Red Devils of Venice High School steam-rolled over Worden 85-57 in a home game Tuesday night.

Winning their second game in two outings, the Devils were led in the scoring column by Jim Olenendorf with 21 points and sophomore Ron Henry with 18.

Venice dominated the game all the way, outscoring Worden 22 to 13, 25 to 12 and 21 to 11 in the first three quarters while the losers came alive in the final stanza to match the win-

ners with 21 points each.

The Red Devils were sharp from the field with 38 goals while Worden was held to 16.

Venice bucketed only nine free throws, and 25 from the charity stripe by Worden was insufficient to make it close.

Other Red Devils scorers were Dan Maurer with 13, Dan Maurer with 13 points, Algie Smith 12, Cornelius Wiley 9, Ray Mosby 4 and Barkley Baker and Tony Sifton 2 each.

Venice will host East St. Louis Lincoln Friday.

### Central Band to Be On TV Tonight

A rehearsal session of the Central Junior High School band was filmed by news men of Channel 4 Television earlier this week and will be shown on Channel 4 tonight between 9:30 and 10 p.m.

The 65-member band was practicing for its annual Christmas Band Concert under the direction of Mrs. Mary Ann Davis with an unusual "participant," the assistant principal, Gerald Brown, on the drums. With this turn of events, the St. Louis interviewers composed a story relating to an old school building, built in 1913, and the band playing a new modern interpretation of music for a holiday concert.

### Cub Scouts Send Cards as Yule Mail Call Project

By VALERIE EVENEDEN

Two small boys are very happy their Cub Scout group decided to mail greeting cards to servicemen listed in the Press-Record's "Yule Mail Call," as both youngsters have received return salutations from the men they chose as their special Christmas pen pals.

Relatives and friends of Quad-City military personnel still may submit their names and addresses to the newspaper's pre-holiday program project. The service is free and names will be published in each edition of the Press-Record until Christmas week.

Despite a rather cryptic address which failed to disclose where the serviceman was stationed, Kevin Wickham, 13, selected a Marine sergeant to be the recipient of his greeting card.

Kevin, a fourth grade pupil at Marshall School, is one of nine cubs in Den One, Cub Pack 17, who sat down and laboriously wrote notes inside greeting cards the week of Nov. 22. Supervisor of Den One is Kevin's mother, Mrs. Nancy Wickham, 2322 Buxton Ave.

This week, the youngster proudly displayed a letter of his own from Marine Sergeant Richard Hull who is stationed on board the aircraft carrier USS Coronado — somewhere in European waters. The fact that the sergeant is a Marine and came as a pleasant surprise to Kevin.

Also getting a reply from his serviceman-buddy was Richard James of the same den, who received a letter from Specialist Five Gary Barron stationed with the 95th Evacuation Hospital in Vietnam.

"I have no idea just what the boys wrote in the Christmas cards they mailed the servicemen," Mrs. Wickham said. "Each selected a name from the 'Yule Mail Call,' added a little note inside the card and wrote the addresses themselves."

"Sgt. Hull apologized for not

having a card to mail back, but he wrote a very nice letter and thanked Kevin for his greeting card," the den mother said. The cub scouts are continuing to prepare cards at their weekly meetings, Mrs. Wickham noted.

Other boys involved in the project are Carl Clayton, Blake Ambuhl, Jeff Bergerbrader, Frankie Dunham, Dennis Reeves, Wendell Tackett and Kenney Johnson.

To ensure accuracy, those contributing names and addresses to the "Yule Mail Call" project are asked to write the details on a slip of paper or postal card and mail or bring the information to the Press-Record, 1815 Delmar Ave.

The serviceman or woman's name, serial number, full address, including APO or FPO when applicable, should be included. If the area of service is noted, it will appear in parenthesis after the regular mailing address.

### Benefit Concert for Tree of Lights Set

A benefit Christmas Concert to aid the American Tree of Lights campaign will be presented at Central Junior High School Sunday from 2 to 4 p.m. by several groups of young people in the community.

Choral groups representing churches and schools in the Quad-City area will present a holiday program with the Salvation Army Songsters concluding the presentation with a "Lucia Fest" which is a Swedish Festival of Lights.

The Salvation Army young people gave the Lucia Fest last week at Anchorage Recreation Hall attracting more than 80 people.

A free-will offering will be taken after the concert and refreshments will be served.

### 1961 Auto Stolen

Paul Callender, 3137 Ash Ave., reported at 8:55 p.m. Tuesday that his white 1961 two-door auto was stolen from the front of his home after 8 p.m.

### Press-Record's... YULE MAIL CALL (Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear.

Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are away from their homes and families. Early mailing is recommended.

### Court Ruling Frees GC Man From Prison

Michael Chin, 21, of Granite City, was released from custody Monday after serving six months in prison as a narcotics conviction was found to be unconstitutional under an Illinois Supreme Court ruling.

Chin, ordered freed by Circuit Judge John Gitchoff on a habeas corpus petition, was one of 28 persons arrested in massive drug raids conducted by the Illinois Bureau of Investigation and area police last winter.

He had been sentenced to a term of two-to-four years in a Menard Penitentiary on a charge of unlawful possession of marijuana.

The Supreme Court held that the old drug law which included a mandatory sentence of 10 years to life on a first offense, violated constitutional rights. A new law places juveniles in a category separate from hard narcotics and provides a graded scale of offenses.

The habeas corpus petition was filed by the Madison County public defender department which expected to file similar petitions in two other Madison County cases where convictions led to imprisonment, and in at least 11 other cases of old law violations which remain pending in court.

### GC School Board Acts to Halt Open Trash Burning

The Granite City Board of Education approved contracts to hire trash and to employ a consulting firm to conduct an administrative salary study during a meeting Monday night.

To comply with rules of the city's air pollution board which complained of burning in open pits at nine schools, the board hired Milam Corporation-East to remove the trash to a dump at a monthly cost of \$477.

The schools, number of weekly pickups and monthly cost for each are:

High School, four, \$119; Emerson, one, \$38; McKinley, one, \$38; Marshall, one, \$38; Mitchell, two, \$65; Nameeki, two, \$65; Niedringhaus, one, \$38; Stallings, one, \$38; and Webster, one, \$38.

The cost amount is tentative and could increase or decrease. The firm currently serves the City of Granite City.

The contract for the study of salaries for administrators is for \$8,500 with the firm of Engelhardt & Engelhardt Inc. of New York.

and to develop a sound and equitable salary plan for administrators. The study, which began Tuesday, is to be completed within four months.

The board also approved the second and third phases in the development of a data processing center at Granite City High School.

IBM equipment, to be leased, is to be delivered May 1 and rental cost will be \$2,440 for the remaining two months of the fiscal year.

A machine operator/programmer position and a Class I keypunch/clerical position will be established for year-round employment.

A salary of \$12,500 per year was suggested for the programmer, but the salary was left open, to be decided by the experience and qualifications of the applicant. The salary of the keypunch/clerical will be \$460 per month.

**ENGAGED.** Miss Barbara J. Giffin, whose engagement to Walter William Gorman is announced by her parents, Mr. and Mrs. Fred J. Giffin, 2101 Lee Ave.

### Gorman-Giffin Engagement Told

Mr. and Mrs. Fred J. Giffin, 2101 Lee Ave., are announcing the engagement of their daughter, Miss Barbara J. Giffin to Walter William Gorman. The son of Mr. and Mrs. Frank Marks, 2110 Lee Ave., Mr. Gorman has just completed

four years' service with the U. S. Navy. He was graduated from Granite City High School and is presently employed at Continental Bakery, St. Louis. Miss Giffin is a student at Madison High School. Plans are being completed for an early summer wedding.

### Bridal Shower Fetes Cathy Zenik

Miss Cathy Zenik, whose wedding to Henry William Reimers III will take place Dec. 23, was guest of honor at a bridal shower given at Nantux United Methodist Church during the weekend.

Hostesses were Mrs. Mildred Lynch, Miss Evelyn Richardson, Miss Christy Zenik and Mrs. Luan Briner.

The gift table was decorated with green and white streamers and wedding bells, centered with a bride doll. Each guest table was covered in white, with a green runner marking the center and small green and white wreaths encircling white candles and vases of red and white poinsettias.

A similar decorating motif was continued on the buffet table, where a centerpiece of red poinsettias and pine greenery was arranged in a white container.

Miss Zenik was assisted in opening her gifts by Miss Christy Koglin, her sister, Miss Christy Zenik, and Misses Linda Briner and Lisa Shone.

A social hour included games, with several prizes awarded, and the serving of refreshments.

Attending were Mrs. Edward Zenik and Mrs. Blanche Reimers, mothers of the prospective bride and groom, and Mesdames Ruth McDonald, Corrine Kreher, Shirley McGovern, Rose McGovern, Dolores Cislter, Helen Ann Harris, Adrienne Reuter, Mae Wetzel, Dorothy King, Candy Kawula, Shirley Brown, Betty Schmiedke, Marie Coffey, Anna Mae Harris, Lucille Kahler, Jackie Bulla, Shirley Voegel, Mildred Bohmstedt, Elizabeth Pence, Pauline Schank, Frankie Lerch.

Funeral services were held today. Details are given in the obituary column.

## Madison High Band to Open Season on Sunday

The Madison Senior High School Band will present its first concert of the 1971-72 season at 3:15 p.m. Sunday in the high school auditorium, under the direction of William J. Ledbetter, conductor.

A feature of the holiday program will be the poem, "Twas the Night Before Christmas," in an arrangement for narrator and band. Janice Henry, a senior band member, will serve as narrator.

Selections to be presented will include:

"Lustspiel Overture" by Koller-Bela; "Jesu, Joy of Man's Desiring" by Johann S.

Bach; "March and Procession of Bacchus" by Delibes; "An Irish Rhapsody" arranged by Glare Grundman.

"Green Sleeves," a traditional melody arranged by Alfred Reed; "Trilogy," a march by Osterling; "Instant Concert," a novelty by Harold Walters; and "Christmas Music for Winds," a medley of well-known Yuletide carols.

Season tickets for Sunday's concert and two other presentations set for later in the school are presently available from members of the Madison High School Band, or may be purchased at the door Sunday afternoon.

## Christmas Bride-to-Be Is Honoree

Tables decorated in shades of pink, green and blue and individual floral favors in corresponding colors were used as decorations at a bridal shower honoring Miss Marcia Conroy.

The affair was given this week at the Slovak Hall in Madison. White wedding bells centered the tables and were suspended from the ceiling with colored streamers. A ruffled umbrella canopied the gift table.

Hostesses were Misses Alice Koenig, Carol Noeth and Nadine Cain and Mrs. Joan Love and Mrs. Terry Ashby.

After the honoree opened her gifts, games were played with prizes going to Mesdames Mary Mennerick, Dolores Gaines, Georgiana Van Baskirk, Jo Ann Yurlo, Connie King, Betty Goldasich, and Mary Zikovich.

Other guests attending were Mesdames Louise Provence, Mary Kubelka, Josephine Kubelka, Dolly Synick, Georgiana Skinner and daughter, Susan Nellie Desan, Mary Gregus, Ann Fryntzko, Betty Duff, Mildred King, Barbara Cain, Helen Noeth, Shirley Selmer, Dorthea Rivenburgh, Ann Hopkins, Anna Schwartz, Dolores Barker, Charlotte Robinson, Judy Zeis, Beverly Kowalovich, and daughter, Lisa, Olga Koenig, Mary Blankenship, Misses Judy Koenig and Kim, Jenny and Courtney Gustaf.

## Christmas Coffee At Konzen Home

Mrs. L. H. Konzen entertained Chapter HT of the P.E.O. Sisterhood at a Christmas coffee on Monday morning in her home, 3302 Princeton Drive. The residence was beautifully decorated in a seasonal theme.

Co-hostesses were Mrs. C. W. Kohl and Mrs. Arthur Menendez. Mrs. B. S. Miller presided at the coffee service.

Novelty breads and pastries were served to 50 members and guests.

Mrs. Miller will be hostess for the chapter's Christmas party and meeting on Dec. 13 in her home, 3330 Princeton Drive, it was announced.

## EUNICE PRICE NAMED "QUEEN OF THE WEEK"

"Eunice Price" was named "Queen of the Week" at a meeting Monday evening of the Venetian T.O.P.S. (Take Off Pounds Sensibly) Club held at Ruthanne's Beauty Salon.

Mrs. Dolores Draper conducted the meeting and led a discussion on a Christmas dinner party to be held at Charlie's Restaurant.

## Teacher Resigns To Accept State School Position

One teacher resigned, another was hired and three were granted leaves of absence at a meeting of the Granite City Board of Education Monday night.

The board accepted the resignation of Robert Pyle, math teacher at Grigsby Junior High School, effective Dec. 22. He has accepted a position with the Illinois Office of the Superintendent of Public Instruction. Employed on a temporary basis was Robert Gagliano, 34, of East St. Louis. He holds a bachelor of arts degree from McKendree College and has a year of experience. He was assigned as an EMH teacher at Wilson School.

Leaves of absence were granted to Mrs. Alice Mizerski, high school home economics teacher, effective Jan. 21; Mrs. Evelyn Robinson, intermediate teacher at Maryville School, effective Jan. 7; and Mrs. Marianne Davis, primary teacher at Niedringhaus School, effective Jan. 22.

**Art Teacher Added**  
An additional art teacher was approved for next semester at Coolidge Junior High School, and Miss Lynn Shepard was named to teach four additional art classes required by an increase in the area of art.

The board approved a request by Fontbonne College of St. Louis County to place student teachers in the district.

Plans were made to attend the quarterly meeting of the governing committee of the Illinois Association of School Boards (southwestern division) held last night in Belleville to attend the National School Board Association convention April 15-18 in San Francisco.

**Trip Approvals**  
Approvals for trips were granted to Joe Fedora to attend the National Conference of High School Directors of Athletics Dec. 12-15 in Columbus, Ohio; Lawrence McCauley to attend the National Secondary School Principals Association March 17-22 in Anaheim, Calif.; Owen Humphrey to attend the national convention of the Association for Supervision and Curriculum Development March 4-5 in Philadelphia, Pa.; David Culp, high school art teacher, to attend a symposium for U. S. teachers March 29-April 7 in Russia; William Schmitt to attend an executive committee meeting of the National Wrestling Coaches Association of which he is vice-president on Jan. 5-6.

Organizations under use of facilities are:

**Use of Facilities**  
Boy Scouts, high school cafeteria Feb. 12 for leadership banquet; Salvation Army, Central Junior High School auditorium 2-4 p.m. Dec. 12 for Christmas Concert.

Marshall School PTA, gym and cafeteria of the school Feb. 11 for winter carnival; Granite City Steel Credit Union, high school cafeteria and gym Jan. 23 for annual meeting.

Girl Scouts, Nameoki gym Dec. 12 for Festival of Giving; Knights of Columbus, Nameoki gym Feb. 4 for Saints vs. Sinners charity basketball game; Nameoki Presbyterian Church basketball team, Central gym for practice rest of season; and YMCA, Central auditorium Dec. 16 for soccer awards program.

The board approved a gift of an aquarium from the Daughters of Isabella to the oral deaf class at Lake School.

**Progress Report**  
A brief progress report on the educational consulting team training program was presented by Vasil Efthimoff, administrative assistant. He said the new program was to have been county-wide but only schools in Granite City, Madison and Venice in addition to the Lincoln Technical School are participating.

B. J. Davis, superintendent, said that application has been made for \$67,353 for federal funds for science and language fields and that \$23,105 has been allotted as reimbursement for library materials.

The board approved cafeteria bills totaling \$55,630. The board approved purchases of cafeteria paper goods for \$5,053, lighting supplies from three firms for one year, industrial arts equipment for \$2,143 from 11 firms, industrial education supplies for \$14,444 from various firms and a driver training car from Plaza Lincoln Mercury on best offer.

### License Charge Filed

Diane L. Clay, 628 Meredolia St., Venice, was charged with driving without a license after her car and the auto of Charles O. Holloway, 2818 Marshall Ave., collided at Market and State streets in Venice at 3:35 p.m. Monday.

## Kiwanians Told of Pearl Harbor Events

C. E. Blankenship, guest speaker at a dinner meeting of the Kiwanis Club Monday evening at Charlie's restaurant, related his experiences while aboard the USS Tennessee on Dec. 7, 1941 — Pearl Harbor Day.

The speaker, who joined the U. S. Navy in 1937, also reviewed highlights of the 1939-1940 era including political interests, popular music and general conditions. He noted that 80% of Congress was opposed to entering the war prior to the bombing of Pearl Harbor.

In recounting the bizarre events of that Sunday morning, that threw the country into a world war, Blankenship said he was reading the paper near his ship, when he heard the first two explosions. He said he saw a dive bomber hit the USS Arizona causing it to sink and kill 1,100 sailors.

Darrell Weible, president, presided at the meeting. He introduced three guests from the East St. Louis Club. They were Owen Masterman, Ross Thompson and George Montague.

It also was reported that members collected \$250 while serving as bell ringers for the Salvation Army Tree of Lights campaign last week.

The president announced plans for a Christmas party, where the wives will be guests, to be held Dec. 13 at Charlie's restaurant.

Melvin Gillie will serve as program chairman for the dinner meeting. All members are urged to attend.

## Mrs. Carolyn Moore Dies After Crash

Mrs. Carolyn Moore, 78, of Oakland, Neb., a former resident of Granite City, died Tuesday morning of injuries sustained in an automobile accident which occurred in Oakland Monday night.

Mr. Moore was a passenger in a car driven by her husband, Alfred Moore, which collided with a stalled truck on a highway near Oakland, according to a report received by the family. Mr. Moore remains in the intensive care unit of the Oakland Hospital.

Survivors include a daughter, Mrs. Ray (Oma) Roehlf of Detroit, Mich.; one son, Bruce Morgan of Missouri, and a daughter-in-law, Mrs. Lillie Morgan of Granite City; six grandchildren and 13 great-grandchildren. Three of the grandchildren are residents of Granite City. Mrs. Jack Bosworth, Vance Morgan and Jerry Lee Morgan.

Mrs. Morgan and her daughter, Mrs. Bosworth will attend the funeral services to be held in Oakland on Friday morning.

## Madison Rotarians Told of Mail Plans

Plans for construction of a downtown Granite City Mall to give the city a "new look" and add impetus to downtown business activity were outlined to Madison Rotary Club members during a meeting yesterday in the Madison Recreation Center. Maurice Rich, president of Downtown Granite City, pointed out that plans for the mall have been approved by Granite City officials and that a Board of Local Improvements has been named to handle financing of the program. He said a public hearing will be held to give everyone an opportunity to voice their opinions of the project.

Plans also were announced for a special Christmas program at the Dec. 20 meeting of the club, when 90 children, directed by Mrs. Valerie Stevens, will present the program. A committee was appointed to conduct the annual Christmas Decoration contest.

## Emmanuel Cobb, 72, Dies in LeHigh, Fla.

Emmanuel Cobb, 72, of LeHigh, Fla., died at 1 p.m. Monday in the Memorial Hospital at LeHigh where he had been a patient three weeks. Mr. Cobb had been ill the past two years.

Mr. Cobb lived in Granite City 50 years and was a retired employee of Granite City Steel Co. He was a World War II veteran and active in Venice-Madison American Legion Post No. 307.

He is survived by his widow, Mrs. Bernice Cobb of LeHigh, Fla.; two sons, Melvin Cobb of LeHigh, Fla., and Danny Cobb of Granite City; one daughter, Mrs. Marjorie Handon of Granite City; three grandchildren and seven great-grandchildren. Funeral services are given in today's obituary column.

# Inventory Value Change Boosting Laclede Income

Paul B. Akin, president of Laclede Steel Co., in a letter to stockholders has related that "although we still cannot foresee what fourth quarter operating results will be, two significant non-recurring items that will affect our final income for the year are now evident."

Noting that the Internal Revenue Service has given Laclede permission to change its accounting procedure for valuing inventories, he said, "The new accounting method effective Jan. 1, 1971, will increase our inventory valuations by \$2,088,000 and will, accordingly, increase our 1971 income by the same amount."

Akin reported that, in view of Laclede's net operating loss carry-forward, the full amount of the inventory valuation change of \$2,088,000 will be reflected in net income for the year.

He also said Laclede will have about a \$600,000 write-off in 1971 occasioned by the abandonment of Laclede's joist manufacturing facilities.

In a letter to stockholders on Oct. 29, Laclede Steel had announced its nine-month earnings for 1971 at \$1,339,395. In the first nine months of 1970, Laclede had a loss of \$3,506,934. Net loss carried forward a year ago was \$9,260,000.

Akin added that if Laclede had not made the inventory accounting change in 1971, the old method would have required an increase in inventory valuations by year-end of approximately \$500,000 and that 1971 income would have been increased by that amount.

The net effect of the accounting change, therefore, will add approximately \$1,600,000 to Laclede's net earnings for the year.

# WELCOME WAGON CLUB TO CELEBRATE SEASON

The Welcome Wagon Club will celebrate the holidays at a party Tuesday, Dec. 14, at 7:30 p.m. The event will take place in the auditorium of the YMCA, and all ladies who have received a Welcome Wagon call are invited to attend.

The organization will be pre-

paring a food basket for distribution by the Salvation Army, and those attending the party are to bring non-perishable items.

Mrs. Joanna Spencer and Mrs. Ruth Bischoff, local hostesses, report that the evening will include gifts, games and refreshments. They may be contacted at 876-8714 or 876-2585.

# Mexican Commission Sets Fiesta Dates

Dates for the 1972 fiestas were set and plans were announced for several holiday events at a meeting of the Granite City Mexican Honorary Commission this week at the Jaycee Clubhouse on Poplar Street.

Seventy members and a guest, Mrs. Fern Harrison, attended the business session, conducted by Steve Ortiz, commission president.

Dates for the traditional public fiestas were set for May 13 and Sept. 23. Both events will take place at the Venice-Madison American Legion Hall.

Mrs. Barbara Valencia reported plans for the organization's annual Christmas party Sunday, and Donald Valencia

gave details concerning holiday baskets for the needy. Mrs. Olefia Antoff reviewed arrangements for a New Year's Eve party.

Members voted to donate \$25 to the Salvation Army's "Tree of Lights" campaign and agreed to sponsor a soccer team in the St. Louis Khoury League.

Uniforms for the soccer team will be furnished by Rueben Mendoza, owner of a local sporting goods store, Ortiz said.

Team members will include youths from Granite City High School and two from Assumption High School in East St. Louis.

A dinner of chicken and rice was served by the December hostesses, Mrs. Ruby Ybarra, along with other refreshments.

# Archbishop Visits St. Gregory Church

Archbishop Hrant Khatchadourian, Primate of the Armenian Apostolic Church of America, associated with the illustrious House of Cilicia in Beirut, Lebanon, visited in Granite City last week and departed Monday for New York.

While visiting in this area he was guest of honor at the 17th anniversary observance of St. Gregory, The Illuminator, Armenian Apostolic Church, 1732 Maple St. He also officiated as celebrant at the Holy Mass on Sunday, and met with different organizations of the church and board of trustees.

The Archbishop and the Rev. and Mrs. Khoury Habeshian were guests at a dinner party given at Charlie's restaurant by the Mr. and Mrs. Club of the church, attended by 26 members and guests.

# Creative Yule Service At Central Christian

An innovative Christmas worship celebration, featuring an original cantata, composed by local church members and the appearance of the Liturgical Performers from Southern Illinois University, will take place at 10:45 a.m. Sunday at Central Christian Church (Disciples of Christ), 2000 Johnson Road.

The public is invited to attend the special service—"Christmas Music Throughout the World." The distinctive presentations and activities planned for Sunday morning will be interrelated with the usual pre-Christmas worship service and communion, the pastor advised.

The Sanctuary Choir will present choral works appropriate to the Yuletide season and the congregation will be asked to join in singing traditional Christmas carols.

An original Christmas cantata, composed by church members Judy Hall, Joe Hansen and the Rev. Russell Wigfield, associated with the service.

# Children's Matinee to Benefit Needy Families

Area youngsters can aid the Salvation Army to provide Christmas baskets for local families in need by attending a Saturday morning matinee at the Washington Theatre and donating a can of food or 25¢ as their admission fee.

Children viewing the 10 a.m. show Saturday will be treated to two full-length feature presentations and, at the same time, help boost the Salvation Army's effort to aid a needy Quad-City families.

Whichever the youthful patrons contribute—canned goods or the 25-cent admission price will be turned over to the Salvation Army, according to Christ Pashoff, Washington Theatre manager.

Doors will open at 9:30 a.m. Saturday. Movies scheduled to be shown are "Sons of Katie Elder," starring John Wayne and Dean Martin and "Your Cheating Heart," with George Hamilton.

Several years ago a similar Christmas benefit at the local theatre was very successful, it was learned.

# Barracks 34 Sends Yule Donations

Donations of \$25 each to the Salvation Army's "Tree of Lights" and Jefferson Barracks Hospital's "Christmas Cheer Fund" were authorized Tuesday at a joint dinner meeting of Madison Barracks 34, Veterans of World War I and Auxiliary.

The meeting, which was a Christmas party and held at the VFW Hall was attended by 75 members. Lighted candles and strings of holly decorated the dining tables for the holiday gathering.

Presiding at the separate business sessions were Mrs. Georgia Butler, auxiliary president and Raymond Scott, Barracks 34 commander.

Reported were details of a trip to the Alton State Hospital where members of the local veterans group entertained eleven servicemen who are patients there.

After the meetings, games were played and several prizes were awarded.

# McKinley Yule Party

McKinley School PTA has completed plans for its annual family Christmas party to be held Dec. 14 at the school.

The executive board met Tuesday night with Mrs. Sade Bringer, president. Others present were Mesdames Susie Flinn, Lynn Frangoulis, Gertrude Luebben, Mildred Noeth, Jackie York and Violet Jeffers and Principal Gary Pfroeder.

The party will feature entertainment by Indian dancers of Explorer Post Six as well as a musical program under the direction of Mrs. Mayme Schaefer, vocal music teacher.

Santa and one of his elves will visit and distribute treats to the children. The evening will be divided into two segments to enable every family to attend—the first to begin at 7:15 p.m. and the second at 8:15 p.m.

Members of the board previewed a magic show by Terry Hunter and Jerry Noeth, students in Mrs. Jeffers' fifth grade class. The boys will give their show at the January PTA meeting.

Programs for the rest of the year were discussed and it was decided to have a talent show in February.

The school will have classroom holiday parties on Wednesday, Dec. 22, with the room mothers in charge.

## Lyons Says GOP 'Aid to Small Taxpayer' Is Just the Reverse

To the Editor: With all the mis-statements and carefully cultivated misunderstanding about the legislative action, or lack thereof, on the personal property tax issues, it is difficult to know where to begin.

Seldom has a major public issue been so bedeviled by irresponsible blather and outright misrepresentation as this one. So let me just say this: Two public pronouncements on the personal property tax have been made by Republican leaders. One is by Governor Ogilvie and the other by Senator Sours of Peoria. As to each, I will say this—what he is uninformed or insincere or, more likely, both.

In any event, neither statement should be taken seriously. When I sponsored legislation, Senate Bill 1282, to get the individual taxpayer and the small farmer off the personal property tax roll, the Republican leader in the Senate said, "Lyons will not get one word—what side of the aisle for that." That is exactly the way it turned out.

When I called the bill for passage, not one Republican voted for it. I tell you why. The Republican Party is more interested in doing the bidding of big business and corporations than in helping the wage-earning taxpayer and the small farmer.

How do I know? I have compared their speeches with their actions for years.

If you want to know what they are really up to, don't listen to what they say—watch what they do. Then you can easily see their game plan developing.

What they want to do is this: get business and industry off the personal property tax rolls under the small taxpayer and small farmer.

That revenue would then be replaced by increased sales taxes and income taxes on the small taxpayer.

They have been trying to do this for a long time and they have always disguised this with a lot of rhetoric, most of it pretty bad. But this time they were called out and their whole hand was exposed. A bluffer's hand, big talk and no performance.

Senator Sours said that the people from Chicago refused to give relief from personal property taxes. Why is it then that he and the Republican senators opposed my bill to exempt from the tax all individuals and small farmers, and to let business corporations pay their share of the tax?

Why did the governor endorse a bill to let all corporations and businesses deduct \$20,000 in personal property valuation when he knew, or should have known, that the tax losses would have to be made up by increased sales and income taxes on individuals?

Think of that proposal. Exempt 80% of the corporations in this state from the tax and let the individual taxpayers pick up the tab.

When I offered an amendment which would cut down the size of the gift that the Republicans wanted to make to business and corporations, the sponsor, Senator Sours, wouldn't even call the bill for a vote. This was, of course, not surprising.

With my amendment on the only meaningful relief would have been for small taxpayers. Since the Republican party has perennially given evidence of being more concerned about the big corporate taxpayer than the small ones, they no longer had any interest in the legislation.

I am going to re-offer my plan at the next session. It will be reduced an average of \$15 per month in salary effective Jan. 1 in a vote by the City Council. The ordinance was adopted after protracted debate, each alderman exercising his full privilege to speak twice on the same subject.

Mr. and Mrs. Morgan LeMasters of D Street entertained at dinner Dr. Leonard Schreffels, who has just returned from Europe.

## Is a Vendetta Hampering SIU-SW Progress?

Dr. John S. Rendleman, president of Southern Illinois University's Southwestern campus, fears that Governor Richard B. Ogilvie has a vendetta against him and SIU-SW. He says this is not true, but there certainly have been a number of high-level state decisions adverse to the local university in recent months.

For example, on Tuesday the Illinois Board of Higher Education slashed 95 1/2% of the SIU-SW capital outlay budget request for the fiscal year beginning in July 1972.

The board accepted a staff report recommending only \$471,675, consisting of \$311,325 for utility extensions and sewage disposal plant improvement, \$115,350 for remodeling and rehabilitation of existing buildings and \$45,000 for planning and long-range development.

The university had requested \$10,700,570, including \$6,645,864 for buildings and additions, \$391,000 for equipment and \$2,460,000 for other remodeling work, all of which were denied.

SIU-SW had requested \$2,122,951 for planning and long-range development; of the \$45,000 approved, \$25,000 is for design and development of nursing facilities and \$20,000 for long-range development.

The governor-appointed Board of Higher Education's recommendations will be forwarded to the governor, who will present a budget to the Illinois General Assembly early in 1972. It isn't much consolation, but the "mini-size" of what was approved—4 1/2% of the request—at least assures that there cannot be much more trimmed off. Not more than the other 4 1/2% at any rate.

State revenue-spending imbalances always seem to be in the picture, silently arguing against needed programs and construction projects.

Even so, we could understand a state attitude that no campus should be too greedy. Illinois governmental financing problems are real, not imagined.

However, it should be kept in mind that SIU-SW is not obsessed with greed. It is faced with challenges different than those facing any other Illinois institution of higher education. And it deserves greater backing than it is getting from the state in solving them.

In addition, the local university has the highest classroom utilization rate in the state. As Dr. Rendleman says, "The board apparently chose to overlook this well-known fact while granting proportionately larger capital requests to universities with lower classroom utilization rates."

"In view of the budgetary problems of the state, we wonder whether the taxpayers are getting maximum value from their dollars when this kind of decision is made," the president concluded.

We wonder, too. And we point out that if there is a vendetta, it is highly inappropriate for the state to include so many innocent people among the targets and victims of the feud.

**Near-Sighted View of 'Only Site in Region'**

For the umpteenth time, we'll correct a statement in one of the Sunday picture sections concluding that a Missouri area currently being developed is the "only one in the St. Louis region ready to meet the expanding industrial needs of a viable community."

The last we heard, there are still tens of thousands of acres of ideal industrial sites in Madison and St. Clair Counties, including the area along the Chain of Rocks Canal north of the Quad-Cities and south of Alton.

And, believe it or not, this Illinois manufacturing tract is not only served by excellent utility and transportation services but are on land that is high and dry—in sharp contrast to many Missouri locations.

Some students, knowing that offers would not be abundant, took the first one that came along, even though it might have been quite what they wanted.

Many other students explored areas completely out of their major fields or went into jobs for which they were vastly over-trained. A graduate engineer may be repairing appliances, waiting for something better to develop.

Some have stayed on the part-time jobs they held while in school, continuing to search for a career position. The state was the case last year, liberal arts graduates were the hardest hit. Many schools re-

ported an 80% to 90% reduction in the number of jobs available, compared to 1970.

The demand for engineering graduates continued downward, with almost all schools reporting fewer job prospects this year.

Although accounting still was the brightest field, there weren't as many jobs available and competition was stiffer.

The job market remained tight for teachers, and they had to be more willing than others to go where the jobs were; often to rural or inner-city schools.

The best sources of jobs, in addition to accounting firms, were in banking, insurance, marketing and merchandising. Public utilities and manufacturing also provided some jobs this year. All levels of government were hiring, but not in the numbers of former years.

Holders of advanced degrees, especially those in philosophy, found the going much rougher than those with a bachelor's degree. Generally, bachelors had an advantage, as most companies found an advanced degree too expensive for them.

However, master's degree recipients, particularly with a technical background and some work experience, held up fairly well.

In school areas there were more jobs for holders of advanced education degree in administration than for teachers with a bachelor's degree.

Increased applications did not always mean increased enrollment, however, since a lack of funds at many schools cut back on admissions considerably. Starting salaries leveled off this year, staying relatively the same as in 1970 or increasing only 1% to 2%.

In many instances, average starting salaries were down from 1970.

More graduates were taking jobs with smaller, lower-paying organizations than with higher-paying ones. In some industries which were not hiring as many this year.

Barriers facing women graduates seemed to be falling somewhat. Many schools reported a strong desire by more employers to seek, find and promote women, and salaries were more equitable this year.

It also was reported that accountants were equal to those for men, and salaries were rising in other areas, too, bringing them nearer the level of male graduates.

The future doesn't look rosy. Scheduling for campus interviews will be off to a slow start in the 1971-72 term.

The state of the economy, the winding-down of the war and increased numbers of college graduates all combine to make finding a career hard work.

The job market of the 1960s for college graduates shows no signs of returning soon.

## Winter Wonderland

Editor, Press-Record

No Automatic Jobs for Graduates

As everyone who knows a 1971 college graduate probably is aware, getting one's sheepskin did not automatically provide the job he had set his sights on, nor even one in his chosen field.

In both the education and journalism fields, for example, severe national shortages of job applicants several years ago have turned into serious national oversupplies. We have been receiving numerous job requests.

An annual survey of more than 100 colleges and universities by the Family Economics Bureau has just been completed, and we will present a few of the findings here. The basic conclusion is that job opportunities in virtually every field this summer and fall were down from the previous year.

In some cases, the 1971 college graduate may be driving a taxicab, waiting tables, clerking or doing other menial work while searching for a job in line with his qualifications.

Finding a career job means a lot of hard work on the part of last June's university graduates.

The statement that 1971 proved to be even worse than 1970 is significant, because 1970 itself was not good; it was the year that the bottom started to fall out of the job market for college graduates.

On-campus recruiting drastically reduced, or even canceled by many companies and school systems, several college help workshops to prepare students for job searching on their own.

In 1971, one placement official said, "Interviews were held on a 'let's meet you and hope something opens up later' basis. In 1971, they just didn't come."

Use of college placement offices, especially for counseling, reached an all-time high this year.

Students waged personal campaigns, making direct contact with employers by mail and by door-to-door solicitation. Graduates also held workshops to commercial employment agencies and executive search firms.

The diligent, better-than-average student, who put no limiting conditions on where he would work or who he would work for, has a job, but it may not be his first or second choice.

Some students, knowing that offers would not be abundant, took the first one that came along, even though it might have been quite what they wanted.

Many other students explored areas completely out of their major fields or went into jobs for which they were vastly over-trained. A graduate engineer may be repairing appliances, waiting for something better to develop.

Role of the Executor Explained

(Tri-City and Illinois Bar Associations)

One of the most misunderstood aspects of wills is the role of an executor. And this can be cleared up easily.

Simply put, an executor is the final manager and decision-maker of the estate of the decedent.

One area of confusion lies in the difference between an administrator and an executor under a will.

Their roles are virtually identical, the sole difference being the fact that an executor is named by the person making the will, while an administrator is named by the court when a person dies without having written a will, or without naming an executor, or the

## Granite City High Band To Present Yule Concert

A program of Yuletide selections will be presented at 8 p.m. today by the Granite City High School Band at its annual Christmas concert.

Included in the program will be "A Christmas Fantasy," by Clifford P. Lilly; Overture to "The Messiah," by G. F. Handel; "Orpheus in the Underworld," by J. Offenbach;

"Christmas March" by Edwin Franko Goldman.

"Twas the Night Before Christmas," by Nowell, H. Long; themes from the "Nutcracker Suite," by P. I. Tschai-kowsky; "Sleigh Ride," by Le-roy Anderson; and "Them Bases," by G. H. Ruffine.

Tickets may be obtained at the door from band students.

## 'Y' Benefit Sale Friday

The Tri-City Area YMCA, 2001 Edison Ave., will hold a "moonlight madness" rummage sale-bake sale Friday, Dec. 10 from 6 to 10 p.m. in the "Y" auditorium.

Youth Director Chuck Hasso reports that the fund-raising project is being held to help raise funds to supplement the YMCA operating budget.

Anyone who has rummage or pastry goods to donate to the sale may call the YMCA at 576-7200 and leave a message for Hasso. "Y" staff members will pick up the items.

## DAV Auxiliary Aid Servicemen

The Disabled American Veterans Auxiliary, Unit 53, will hold its annual Christmas party Wednesday at the DAV Hall on 18th Street. All members of the auxiliary are invited to attend.

The DAV group recently completed two pre-holiday projects—sending gift boxes to servicemen in Vietnam and mailing greeting cards to all military men listed in the Press-Record's "Yule Mail Call" service.

Auxiliary members also authorized gift checks to two veterans "adopted" by the unit who are patients at Jefferson Barracks Veterans Hospital, Mo.

At the last week's meeting, plans were reviewed on a proposal to sponsor Girl Scout Troop 492. The troop is led by Mrs. Skippy Korman. Also planned is an election of officers at the Jan. 6 meeting.

## Chomkos Honor Infant Grandson

Mr. and Mrs. Michael Chomko, 2334 Sheridan Ave., entertained at a buffet dinner this week in honor of the christening of their grandson, Carl Alan Chomko.

The infant, a son of Mr. and Mrs. James Chomko, 3017 Ramona Drive, was baptized at St. Margaret Mary Roman Catholic Church. Sponsors were Christie Marie Lombardi and George Barker Jr.

Guests who attended the dinner were Mr. and Mrs. Sam Chomko and daughter, Sandy, Mr. and Mrs. Bob Adamson, Mr. and Mrs. John Huckla, Mr. and Mrs. Louis Lombardi, the infant's great-grandparents, Mr. and Mrs. Nicholas Neunzeiger, Miss Christie Duffer, Mr. and Mrs. Nick Lombardi, Mr. and Mrs. Floyd Price and children, Mark and Becky Ann.

Mr. and Mrs. George Barker and son, Edward, Mr. and Mrs. Yock Lombardi, Mr. and Mrs. Robert Mink, Mr. and Mrs. Ronald Yates, Mr. and Mrs. Richard Renaud, Mr. and Mrs. Charles Stephens and children, Dena and Brian, Mr. and Mrs. John Chomko and daughter, Vanessa, Mr. and Mrs. William Popavachak and daughter, Debbie, Mrs. Arthur Lombardi, Mrs. Chris Hamilton and Mr. and Mrs. Dennis Michael.

## FRANK FILEMANN IN VETERANS HOSPITAL

Frank J. Filemann of Granite City has re-entered John Cochran Veterans Hospital, St. Louis, where he will undergo a major surgery to correct a throat ailment.

The local man was admitted Nov. 30. He is a patient in Room 649. He will remain hospitalized about six weeks and would like to hear from his friends.

## Venice Club Holds Christmas Program Sunday at St. John Yuletide Dinner

The Thrifty Saving Club of Venice, a group of Madison and Venice residents who have been meeting together for over 20 years, held their annual Christmas dinner party this week at the Stop Light Restaurant in East St. Louis.

Hostess was Mrs. Amelia Liddell who directed games after dinner and awarded prizes to those excelling. Secret pal gifts also were exchanged.

Among the guests attending were Mesdames Bessie Berry, Mary Cross, DeEtta Atkins, Rosie Russell, Denise Williams and Kathleen Smith and Marion Guest and Sylvester Walker, all of the Quad-Cities and Dr. and Mrs. Jess Samuels of St. Louis.

Members taking part were Rosie Parnell, Elizabeth Payne, Elise Buxley, Mary Ferguson, Shirley Guest, Judy Lambus, Bertie Mayo, Janie Martin, Louise Powers, Margaret Wright, Ora Taylor and Gertrude E. Young.

The annual Christmas celebration at St. John United Church of Christ, including a special program, dinner and visit from Santa Claus, will take place at 4:30 p.m. Sunday in the newly decorated church sanctuary.

Children taking part in the Yuletide program will convene in their Sunday School classroom at 4 p.m. Sunday, with the activities to start promptly a half-hour later in the sanctuary.

A catered meal will be served church members in the Fellowship Hall at 5:30 p.m., and Santa Claus will arrive for his annual visit with the children at 6:30 p.m. in the all purpose room.

A freewill offering will be taken at the dinner with the proceeds to be donated to the Holyton Children's Home. Joyful church members are being asked to bring a wrapped gift for a baby to be presented during the program. The gifts will be turned over to the new-

born layette project, sponsored by Coordinated Youth Services, which helps young mothers in need.

Various church groups will assist in the early evening activities Sunday. The afternoon and Evening Guilds will serve the dinner and members of the St. John Youth Fellowship plan to decorate the dining room and aid in other areas.

The Men's Brotherhood also will assist with several preliminary chores in preparation for the celebration.

## Children in Hospital To See 'Charlie Brown'

A special benefit play will be presented for children in the pediatrics ward at St. Elizabeth Hospital at 2 p.m., Saturday, Dec. 18, by a group of young people who have been associated with the Starfinders Dramatic Club.

The youth program, entitled "Charlie Brown Christmas," is under the direction of Annette Tarpoff. Practice sessions are being held each Tuesday and Thursday at Peace Lutheran Church.

Members of the cast include Donald Dotzauer as Charlie Brown; Janet Moss as Ruthie; Ed Szczepanik as Linus; Nancy Milton as Peppermint Patty; Nannette Ropac as the little red-haired girl; Nancy Kinder as Schroeder; Tom Wilkins as Snoopy; Connie Corzilius as Violet; Alea Kovach as Mary; Winnie Freedman as Pig Pen and Lorna Reinhardt as Sally.

Assisting Miss Tarpoff with the production are Mrs. Joyce Mitchell, Mrs. Lillian Ropac and Earl Dotzauer.

## Teachers Start Two-Year Course

Three local instructors of cosmetology taking part in an educational program this month at Northern Illinois University, at DeKalb, were Mrs. Dorothy Line, Mrs. Marcella Tucker and Earl Tucker, all of the Granite City School of Beauty Culture, 1815 Edison Ave.

The two-day program was the first of eight such segments to be given at NIU over the next two years.

The program, sponsored by the Illinois School Owners Association, is geared to upgrade the quality of instruction taught at Illinois beauty schools and will permit teachers to keep fully informed on the latest educational techniques, Tucker said.

## Billy Graham Articles Read

Excerpts taken from articles written by evangelist Billy Graham and published in "Decision" magazine were read by Mrs. Pearl Campbell at a meeting of the Women's Christian Temperance Union held in the home of Mrs. Bethel Davis, 2148 State St.

Group singing opened the session and Mrs. Alice Bates led the salute to the flags. Department reports concerning the implied consent law passed by the Illinois General Assembly were discussed.

Mrs. Charlotte Quigley was welcomed as a new member, and a guest was Richard Cundiff. As part of the program, each member shared an experience from their "best-remembered" Christmas.

Refreshments were served by Mrs. Davis and Mrs. Bates to Mesdames Mildred Cundiff, Genevieve Wiltrout, Ruth Lucas and Esther Cann, Miss Elva Miller and Mr. and Mrs. Owen Wiltrout.

Mrs. Bates, 2238 Grand Ave., will host the next WCTU meeting Jan. 7.

## YOU CAN DEPEND ON THE DODGE BOYS.

## THEY CARE ABOUT YOU!

**WE THINK  
YOU OUGHT TO TEST-DRIVE A CAR  
BEFORE YOU BUY IT.**

How else would you discover the "ride with the quiet inside"—the Torsion-Quiet Ride of the phenomenal new '72 Dodge Monaco? How else could you hope to find out how smooth and solid a new Monaco handles on the road?

Even without a test drive—one look at Monaco instantly tells you it's got fresh new style—and you've got a fresh new choice in the medium-priced field this year. If new excellence in styling, engineering, and craftsmanship turns you "on"—turn to Monaco.

## Madison Jr. Service to Give 'Lunch with Santa'

Santa will have lunch with youngsters from the Quad-City area at 11 a.m. Saturday when the children may give the jolly old gentleman a hint of which toys and other gifts they would like to find under the tree on Christmas morning.

The pre-holiday luncheon will be served at the Memorial Recreation Center, 1801 Seventh St., Madison, under the sponsorship of the Madison Junior Service Club. Proceeds from the fund-raising event will be used to assist the club in its many charitable programs.

Each child will be presented with a small red and white stocking, made by the club members, and will also have

their picture taken with Santa. Entertainment will be furnished by Bob Younger, a trick shot artist.

Admission will be \$1 per person. Children must be accompanied by an adult. Tickets are available from club members in advance. A few will be sold at the door on a first-come, first-serve basis.

Menu for the luncheon will include hot dogs, potato chips, cup cakes and orange drink.

## Holiday Meeting For Love Circle

"The First Christmas Family" was the subject of a lesson presented by Mrs. Wesley Helms at a meeting of the Love Circle of Niedringhaus United Methodist Church.

Mrs. Bessie Lindley, 17 Shirlwin Drive, was the hostess to 22 members and six guests. Mrs. Ruby Corbitt closed the lesson hour with prayer.

Mrs. Edgar Padlock, circle leader, gave a report on the November bazaar and announced a short "post-bazaar" event will be held from 6:30 to 7:30 p.m. Dec. 14 in Wesley

**RED STOCKINGS**, to be filled with candy canes, are prepared by members of the Madison Junior Service Club in time for a "Santa's Luncheon" at 11 a.m. Saturday at the Madison Recreation Center. Each child will receive a holiday stocking as a special favor. Shown left to right are Mrs. Dorothy Smith, project chairman; Mrs. Elvera Stegner, president; and Mrs. Rita Barnhart.

Hall. The activity is open to the public. There were 32 sick calls made by circle members during the past month, it was reported. Mrs. Betty Young assisted the hostess in serving refreshments from a buffet table decorated in a Christmas motif. Guests attending were Mesdames Alice Baugh, Pearl Campbell, Dorothy Watkins, Leota Rice, Virginia Hohe and Jeanne Hornberger.

**THOMPSON VISITS PARENTS** Hadley E. Thompson of San Francisco, Calif., was the weekend guest of his parents, Mr. and Mrs. Malcolm Thompson, 4170 Breckenridge Lane. He visited here after a business trip to Minneapolis, Minn.

## Christmas Puppet Show Sunday at SIU-SW

Mimi Proctor Zanger will introduce "Cooky" at the annual Christmas puppet show sponsored by the Southern Illinois University Friends of the Library at the Southwestern campus.

Scheduled for 3 p.m. Sunday in the SIU-SW Communications Building theater, the "Christmas Punch and Cooky" show features a Christmas elf with magical powers to admonish

Mr. Punch and all his young friends. Mrs. Zanger explained. Daughter of Ellen Proctor and the late Roman Proctor, Mrs. Zanger has been involved with puppetry since she was five. Her parents, who entertained audiences throughout the country for many years, opened the Christmas season at Van dervoort's downtown store in St. Louis from 1940 until Mr. Proctor's death in 1961.

Mrs. Zanger began taking part in the show when she was nine years old. She and her husband, Jules, an English professor at SIU-SW, and their children have continued the Proctor tradition of puppetry.

Donations for the performance at SIU-SW will be \$1 for adults. For those below the junior high school level, donations will be 75 cents. Proceeds will

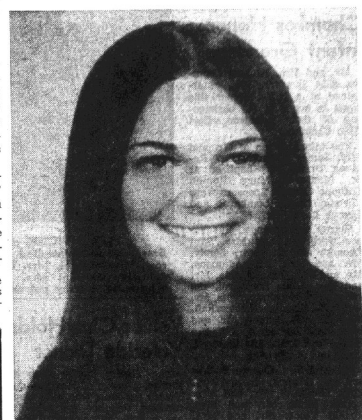

be used to buy rare books and special materials for Lovejoy Library. Tickets can be obtained in advance at the information desk in the University center, the Edwardsville National Bank and at the Friends of the Library office in Lovejoy Library. They will also be on sale at the theater door, the afternoon of the performance.

## Salvation Army Presents Program

The Salvation Army entertained residents of the Anchorage Homes with its annual Christmas program Monday evening. A total of 86 members of the Anchorage Senior Citizens Club and several guests attended.

A playlet, entitled "Santa Lucia Swedish Festival of Lights," was presented by young women of the local Salvation Army Citadel and yuletide songs were sung by Captain and Mrs. Ronald J. Kerley, local Army commanders.

Homemade cookies and coffee were served. Among the guests were Mr. and Mrs. Dave Pear-

**SPRING BRIDE-ELECT.** Miss Martha Jane Bathon, whose engagement to Philip D. Boyer is announced by her parents, Mr. and Mrs. Henry Bathon, 2031 Fifth St., Madison. They will be married April 15.

## Boyer-Bathon Engagement

The engagement and plans for an early spring wedding of Miss Martha Jane Bathon and Philip D. Boyer are being announced by the bride-elect's parents, Mr. and Mrs. Henry Bathon, 2031 Fifth St., Madison.

Miss Bathon, a graduate of St. Teresa Academy in East St. Louis, is in her sophomore year at SIU-SW.

Mr. Boyer is a son of Mr. and Mrs. Edward F. Boyer, 2230 State St. He was graduated from Granite City High School and from SIU-SW with a bachelor of arts degree in physiology.

At the present time he is employed at American Strip and Steel Co.

The couple will be united in marriage April 15 at St. Mary's Roman Catholic Church in Madison.

## City Collects \$6,000 In Delinquent Bills

The City of Granite City has collected more than \$6,000 in delinquent bills in the various sewer programs since Nov. 1, Paul Rutledge, city treasurer, reported this week.

He said some of the money was obtained through Small Claims Court action and the rest was paid voluntarily.

Delinquencies in the Nameoli area sewer program as of Nov. 30 total \$37,000, with some persons owing more than \$100, Rutledge said.

He said final notices are being mailed with a Dec. 31 payment deadline, and small claims suits will be filed against the delinquents in January.

The treasurer added that his office is to start notifying delinquents who are beginning to allow their bills to accumulate to make payments before it becomes necessary to file liens on property.

## Schedule Special Centers To Register New Voters

A program to register new voters in the Quad-City area and other parts of Madison County has been initiated by County Clerk Eulalia Horz in preparation for primary election balloting early next year.

Special registration centers will be conducted at various locations by deputy registrars through Jan. 10, Miss Horz said. Persons qualified to register as voters must be 18 years of age or older, a resident of the state for at least six months and a resident of the precinct in which he lives for 30 days.

Deputy registrars assigned to the special registration centers also will accept corrections in the records of voters already registered. Registered voters who have changed their names by marriage or court action, or who have changed their home addresses, are required to make such corrections in their registration records.

Schedule registration centers in Granite City include: American National Bank, Friday, Dec. 10, from 4 to 7 p.m.; Tri-City Grocery, Belleme-

Shopping Center, Saturday, Dec. 11, from 10 a.m. to 5 p.m.; Granite City Trust & Savings Bank, Dec. 17 from 4 to 7 p.m.; Cohen's Food Market, Granite City, Dec. 18 from 10 a.m. to 5 p.m.; and A&P Market, 20th Street and Madison Avenue, from 10 a.m. to 5 p.m.

Other Area Centers  
Other centers will be located at the A. J. Market, 4085 Pontoon Road, Friday, Dec. 10 from noon to 7 p.m.; Viviano's Food Warehouse, Pontoon Beach, Saturday, Dec. 11, from noon until 7 p.m.; and the West Madison Memorial Center in Madison, Saturday, Dec. 11 from 10 a.m. to 4 p.m.

For those unable to register at a center deputy registrars are available throughout the Quad-City area. Mrs. Olive Sigle, 229 Bryan Ave., Mrs. Elvira Tharber, 1822 State St., and Mrs. Rose Turner, 2141 Waterman Ave., will register voters in Granite City.

Mrs. Sigle will be available evenings during the registration period. Appointments may be made by calling 877-2538.

Mrs. Tharber is available weekdays from 9 a.m. to 5 p.m., and Saturdays from 9 a.m. to noon.

Appointments for evening registrations may be made by calling 876-4533 during the day or 876-3618 evenings. Mrs. Turner may be reached at 931-4129 for appointments.

Deputy registrars in Madison are Mrs. Jewell Young, 12 Grenzer Homes, open to 4 to 8 p.m.; Meredith G. Mullen, city comptroller, Madison City Hall, 9 a.m. to 4 p.m., and Mrs. Ida Dant, 1715 Third St., evenings by appointment, 422-5109.

Two registrars are available in Venice. They are James Woodrome, 634 Lincoln Ave., who may be reached at 451-9659, and Mrs. Christeen Haynes, 301 W. Second St., phone 576-2990.

Voters in the Mitchell area may register by appointment with Mrs. Lois Weeks, 128 Cynthia Lane, at 931-1493.

Registrations from all parts of the county will be accepted at the county clerk's office in Edwardsville.

Roberts Appointed to  
Bi-State Agency Post  
W. Munro Roberts Jr., 53, a St. Louis attorney, has been appointed as a Bi-State Deputy Agency commissioner by Missouri Gov. Warren E. Hearnes.

Roberts, a Republican, succeeds the late Robert T. Hensley of St. Louis County. Roberts is a graduate of St. Louis University and the Washington University Law School. He served 10 years as an assistant professor of law at Washington University and also as an attorney for the Laclede Gas Co. and Southwestern Bell Telephone Co.

His term expires Nov. 10, 1973.

**SLAIN IN VENICE.** The body of Benton E. McCallister, 21, of Collinsville, was found Friday lying face down in an ash pit under the Gulf, Mobile & Ohio Railroad track approximately one-half mile north of Broadway. McCallister had been shot at close range three times behind his left ear. Police said blood on the walls of the pit indicated the shooting had taken place there.

### \$164,979 Transit Loss

A report has showed that the Bi-State Transit Systems lost \$164,979 in October, about \$3,000 more than expected. Total bus system losses since the fiscal year began March 1 are \$1,543,207, or \$97,000 more than anticipated. Revenue was \$1,823,017 compared to the hoped for \$1,986,000, but operating expenses were held to \$136,000 less than the budgeted amount.

### Truck Cab Entered

Vernon L. Bruer, Hammond, Ind., a driver for Aetna Trucking Co., told police this week that the right cab window of his tractor-trailer was broken with rocks and his suitcase was stolen while the truck was parked on the Steel Haulers, Inc. parking lot at 1200 Market Street, Madison.

## Col. Lonnie Mathenia Wins 2nd Air Medal

U. S. Air Force Lieutenant Colonel Lonnie C. Mathenia, son of Mrs. Mary Mathenia, 1943 Maple St., has received his second award of the Air Medal at Korat Royal Thai AFB, Thailand.

Colonel Mathenia was cited for his outstanding airmanship and courage as a navigator on successful and important missions completed under hazardous conditions in support of the Air Force mission in Southeast Asia.

He serves at Korat with a unit of the Pacific Air Force, headquarters for air operations in Southeast Asia, the Far East and the Pacific area.

The colonel received his commission through the aviation cadet program and now holds the aeronautical rating of master navigator.

A 1950 graduate of Canolau, Mo. High School, he earned his bachelor of general education degree at the University of Nebraska at Omaha in 1955.

Colonel Mathenia's wife, Joyce, is the daughter of Mr. and Mrs. Tom Morgan of Rt. 2, Essex, Mo. His father, Charley Mathenia, resides on Rt. 1, Elsinoe, Mo.

### Classrooms Ransacked

Classrooms were ransacked and four basketballs were stolen in a burglary at Marshall School, it was reported this week. Entry was gained by breaking a window at the rear of the school.

## Inductions Postponed By Selective Service

Scheduled inductions of eight Madison County young men into the Army were postponed this week by the Selective Service System.

The inductions were to have been completed Tuesday but a spokesman said they were postponed "at least through the end of the year." The call was for four men from the Alton area and two each from Granite City and Edwardsville.

No January induction calls have been issued and no December physical examinations are scheduled.

## School Burglarized

The cafeteria was ransacked and contents of a fire extinguisher were sprayed over classrooms in a burglary at Niedringhaus School, it was reported this week. Entry was gained by climbing to the roof and opening a window into the gym.

## Chicagoans Didn't Back Personal Property Tax Relief Because They Don't Pay--Ogilvie

By GOVERNOR RICHARD R. OGILVIE

"You can't win 'em all" is probably the saddest bit of wisdom for anyone viewing recent news events affecting Illinois. Never was it more true than during the recent session of the Illinois General Assembly.

Passing the implied consent law represents a significant victory, because this law will unquestionably reduce the number of drunk drivers on our roads.

In a drama which continued almost until the closing moments of the fall session, legislators committed to supporting the bill fought off all attempts to water it down.

Unfortunately, while we were winning this long-fought battle, we temporarily lost another one of vital importance, particularly to persons outside of Cook County.

I refer to the fight to provide the kind of substantial relief from the personal property tax that will end

So they whittled away at the exemption — finally reducing it to an absurd level of \$1,500.

Understandably, legislators from outside Chicago who supported the bigger exemption balked at this ridiculously low figure, and no bill was passed.

It's important, I think, to remember that the exemption of one auto and one household of furniture still stands, despite the decision of the Supreme Court to knock out the ban on the individual personal property tax.

Thus, small businessmen and farmers are the major groups of individuals still subject to this hated tax.

I don't think there is any question about our ability to meet the objections of the court, which held that the treatment of individuals

virtually all taxation of individuals.

An exemption of \$20,000, which I supported, would rescue small businessmen and farmers throughout the state from paying this hated tax.

Yet, Chicago legislators cannot understand the issue since virtually no one in Chicago pays the tax.

After months of deliberation, President Nixon announced that he had given up the idea of abolishing the Department of Agriculture.

On several occasions, I had presented to him the united view of Illinois farmers that their legitimate interests would be lost in such a reorganization, however worthy its aims might have been.

The fact that the President listened to these objections is perhaps the most significant aspect of this decision, because it indicates a willingness to respond to the people.

I continue to be impressed also with his commitment to returning more of the basic decisions of government to state and local officials.

In fact, his administration may succeed in reversing the historic trend of concentrating power in the bureaucracies in Washington.

One other recent piece of news also deserves mention in adding up some of the recent wins and losses for Illinois.

For the second time in five months, Illinois banks entered the lowest bid for state bonds — this time for \$150 million for downstate freeways, airports and mass transit.

I am sure there was nothing sentimental in the reasoning of the investors group that won both times.

Being closer to Illinois state government than their competitors in New York, the home-based firms had a special reason to consider the excellent credit rating and the conservative fiscal management of Illinois government.

An winning bid they submitted — a shade over 4.6% — is tremendously good in today's market.

With construction costs rising at 7% to 10% a year, the 4.6% interest rate is especially significant.

It means we can get that long now — at today's prices — on capital projects that will last through the 25-year repayment period. It means we will save money, now and in the future.

Adding up a number of recent victories and losses, the record of Illinois is good. With informed support, we'll be able to do even better.

## A.H. Froemling Named to Loan League Committee

Albert H. Froemling, president of the Madison County Federal Savings & Loan Association of Granite City, has been appointed a member of the Special Insurance Committee of the Illinois Savings and Loan League.

The appointment was announced in Springfield this week by William C. Allen, president of the Illinois Savings and Loan League. The League is the statewide trade organization serving over 500 savings and loan associations in Illinois. The purpose of the Special Insurance Committee is to make recommendations to the Board of Directors concerning operating practices and procedures of savings and loan associations in connection with acceptance of hazard insurance policies.

## Regional Report--Air Quality Hearing, Construction News

### (Illinois Metro-East Industrial Development Corporation)

An Illinois Environmental Protection Agency air quality study of Illinois cities listed Granite City as having the second dirtiest air in the state in terms of airborne particulate matter. Of the 20 sampling stations with the highest particulate readings, nine were in the Chicago area, six in this region and two in Peoria.

The report added, however, that the two-county area has had a 21% decrease in particulate concentrations and sulfation in the last two years.

Since the IEPA's detailed report is not yet available even to local environmental agencies, review and analysis of air quality conditions in this region's industrial area must await release of the entire study.

In related news, several hearings dealing with environmental quality are scheduled.

A hearing on enforcement action brought by the IEPA against the Alton Box Board Co. Highland plant was to be held Dec. 7 in Highland.

Two hearings are scheduled at Southern Illinois University-Southwestern by the Illinois Pollution Control Board -- the first on Dec. 10 concerning regulations for the application of plant nutrients, and on Dec. 22 a public hearing on proposed statewide air quality standards.

Planned expansion of the Mal landfill on Chouteau Island off Interstate 270 near the Chain of Rocks Bridge was discussed at a meeting of the Madison County Citizens Environmental Council. The proposed addition to the landfill and its continued use for waste disposal by the Missouri side of the Mississippi River were debated at the meeting.

The St. Clair County Board of Supervisors has approved a special use permit for a proposed \$20 million shopping center on Illinois 159 in Fairview Heights. Construction is expected to begin in a few weeks, with completion in 1974.

In other construction news, the City of Wood River has begun construction of a \$75,000 fire house at the corner of Miland and Linton streets in the Glendale Gardens area of the city.

Mechanical bids for a major expansion project at St. Elizabeth's Hospital in Belleville were opened and taken under advisement by the hospital board of directors, and in Alton a new addition to St. Joseph's Hospital has been completed.

In business news, the Rose Bowl Restaurant in Granite City, gutted by fire in July, reopened under a new name, Charlie's Restaurant & Cocktail Lounge, after a remodeling program that cost more than \$200,000.

A new business, Greater Alton Delivery Service, has begun service in the area; the Ardresse Foods Division of Prairie Farms Dairy, Inc. is occupying the former Granite City street garage building on 19th Street as a plant supplies warehouse; and, Fleishman's Sporting Goods store, 1808 Delmar Ave., Granite City, has opened.

No progress was reported early this week on negotiations

between United Steelworkers Local 1022 and the General Steel Industries, Inc., Castings Division.

The Illinois Division of Highways opened bids on 11 area highway projects worth a total of almost \$8.4 million. Most low bids were under state estimates or within the allowable range of not more than about 5% over the estimates. The only bid received for the largest project, the intersection of U.S. 50 and Illinois 159 in Fairview Heights, was 7.5% over the estimate.

In general area news, Charles Springman, Alton developer, will become president of the Greater Alton Association of Commerce on Jan. 1, replacing Nick Maggoc, whose term ends; the Federal Aviation Administration is in its annual report that Civic Memorial Airport, Alton, is the seventh busiest airport in the state. The annual Christmas concert at SIU-SW was held Dec. 5. Fairview Heights' application for funds to purchase a park site near the city has been delayed two months pending changes in the application form by the U. S. Office of Housing and Urban Development.

Scott Air Force Base's new radio station, Krs-fm is hoping to be on the dial at 730 kilocycles in time to play Christmas carols this year.

Jack Prillman has been appointed director of the Lewis and Clark Library system; and the SIU-SW Cougars lost 3-1 to the Billikens Dec. 4 in the important quarterfinal soccer game from which winning St. Louis U. advanced to the national finals at Miami's Orange Bowl Dec. 28 and 30.

Fire Damages Boxcar

Fire caused extensive damage to a Frisco Railroad boxcar loaded with washing machines in the Terminal Railroad yards at the end of Race Street in Madison this week. Madison firemen were at the scene one hour.

## No Burning by Firms

Commercial, industrial and mercantile businesses in this area are being reminded that open burning is banned at this time. A July 1, 1972, deadline on development of collection systems to stop backyard incineration refers to residences.

## Licenses Issued

Marriage licenses have been issued in St. Louis to Thomas M. Owens, Madison, Ill., and Roberta Jones, East St. Louis; Rector L. Bolin and Janet I. Dusky, both of Granite City.

# Alcoholism Big Problem in County

(First of a series)  
By L. T. FRUIN, M.D.  
President, Illinois State Medical Society

There are an estimated 12,143 alcoholics living in Madison County. The figure includes 10,404 men and 1,739 women. Shocked? You shouldn't be. America has nine million alcoholics, 546,000 of them in Illinois.

Some authorities believe these estimates are conservative. Certainly, alcoholism is a major health problem in our state and nation. In fact, the U. S. Department of Health, Education and Welfare says alcoholism is the "number one health problem facing America."

Alcoholism is a disease which exacts a tragic toll in human suffering. It strikes young and old, blue collar workers and white collar executives, men and women of all races.

Studies show that each alcoholic intimately affects the lives of at least four other persons. Every member of a victim's family—more than two million Illinoisans—suffer emotionally, spiritually, socially and financially because of alcoholism.

Alcoholism is a disease. It's recognized as a chronic, progressive illness by the Illinois State Medical Society, the American Medical Association and the World Health Organization.

The disease has spread throughout our state. It threatens the health and well-being of small communities—such as my home town of Normal—as well as large metropolitan areas such as Chicago.

We once thought of alcoholics as sly rowdies and believed alcoholism was a sign of moral weakness. Now we know better.

One out of 18 beginning drinkers is a "hardcore" drinker. He may want to stop drinking, but won't be able to because to him alcohol is a slow, but addictive poison.

There also is another category of drinkers we must be concerned with—the heavy drinker. These individuals can control their drinking, but it still causes them serious personal problems.

What about the rest of us—the estimated 71 million Americans who are moderate or social drinkers—those of us who take an occasional cocktail, wine with a meal, or a few beers at a ball game?

Until recently, it was believed occasional drinkers suffered no permanent effects.

This assumption is now under attack. Strong evidence indicates there is no "safe" level of drinking... that even alcohol in moderate doses damages or destroys cells in the brain and other vital organs.

This loss goes unnoticed because the brain and other organs have millions of cells. But it's still a loss.

Even though these findings are still being debated, no one denies that excessive drinking causes serious health problems. It can cause inflammation of the stomach and pancreas, impairment of memory, judgment and learning ability and even cause heart attacks.

Cirrhosis of the liver develops eight times more often in alcoholics than non-alcoholics. Other fruits of alcoholism include:

1. A high suicide rate. Thirty-three percent of all suicides are chronic alcoholics. The suicide rate among untreated alcoholics is 58 times that of non-alcoholics, and alcoholism ranks second as a cause of all suicides among Americans.
2. A shortened life span. Untreated alcoholism shortens the life span by 12 years.
3. The breakdown of family life. The divorce rate among alcoholics is four times the national average.
4. High traffic accident rates. Studies show alcoholic drivers are seven times more likely to be involved in fatal traffic accidents. Alcoholism is a factor in 50% of the auto accidents which result in death of the driver.

That's why the Illinois State Medical Society supports strict traffic laws such as the implied consent bill recently approved by our state legislature.

The new law recognizes that drivers give the "implied consent" to a chemical test for intoxication when they receive the privilege of driving a car in Illinois. This law should help reduce traffic deaths due to drunken drivers.

But tougher laws won't keep the alcoholic from drinking. The public must learn—as physicians have learned—that alcoholism is a disease.

To successfully combat alcoholism, we need:

—A society in which sympathetic and enlightened citizens support treatment rather than jail for alcoholics.

—Community programs of medical and follow-up support for alcoholics.

—Employers who help alcoholics by instituting early detection and rehabilitation programs.

—Educators to explain the dangers of alcoholism and help plan rehabilitation programs.

—Enlightened legislators to enact laws which provide treatment and rehabilitation programs for alcoholics.

## Welfare Group To Install Lynn

Roy M. Lynn, 2656 State St., will be installed as president of the Protestant Welfare Association during a monthly meeting at 7:30 p.m. Tuesday, Dec. 14, at the City Temple. He will succeed Lennie Crockerell.

Mrs. Ernestine Hahn will be the new secretary, replacing Mrs. Irma Taylor.

Officers elected for 1972 are Bryan Waggoner, first vice-president; Willard Messer, second vice-president; and Mrs. Minnie Dillard, treasurer.

Mrs. Marie Whittle continues as office secretary.

A devotional service and the installation ceremony will be conducted by the host pastor, Rev. Eugene Cope.

## Conduct Charges Filed

Lillian H. Hanlon, 42, of 111 Briarhaven Drive, and Grant Crayne, 22, of 2164 Grand Ave., were charged with disorderly conduct after they were arrested this week at the Long Branch Tavern, 2105 Grand Ave.

## Amsted Plans Plant Additions Next Year

Amsted Industries plans to spend about \$10,000,000 for plant additions in the year ending Sept. 30, 1972, up from the \$5,670,000 spent in 1971.

This estimate was announced by Joseph B. Lanterman, chairman, and Goff Smith, president, in the company's annual report to stockholders released Monday. The largest expenditure will be for a major expansion of the company's railroad steel wheel plant in Transcona, Manitoba, Canada. The \$10,000,000 figure does not include funds which may be spent for acquisitions.

In fiscal 1971 Amsted's major capital expenditures were for acid pollution control systems at the foundry plants in Granite City, Ill., and in East Chicago, Ind. There also was a large expenditure for facilities to produce 3- and 4-inch diameter plastic pipe and fittings at the company's Knoxville, Tenn., plant.

Lanterman and Smith said, "Major factors contributing to the increase in earnings for the year were higher selling prices for certain product lines, reduced interest expense, the lower price of metal scrap—a major raw material used by the company's foundry plants—and the impact of continuing major cost reduction programs which resulted in an 8% decrease in

## Schermer Affiliate of Hardware Wholesalers

Schermer - Essen Hardware Stores has become an affiliate member of Hardware Wholesale, Inc., a member-owned buying organization consisting of nearly 1,000 independent merchants.

HWI serves retail hardware and building material dealers and has an annual sales volume of over \$70 million. Bob Copeland, manager of the Schermer-Essen Stores, said his firm will now be an outlet for the more than 30,000 items in the HWI Distribution Center.

Copeland said Schermer-Essen will be able to offer a complete selection of building materials, builders' hardware, brand-name tools, kitchen cabinets, carpeting and paint.

Other departments include lawn and garden supplies, housewares, toys, appliances, sporting goods, plumbing and electrical items, which will be

the total number of salaried employees. Long-term debt at Sept. 30, 1971 was \$6,658,000, down from \$16,429,000 a year ago.

## Granite City PRESS-RECORD

Thurs., Dec. 9, 1971 Page 41

Deliveries are made each Friday from the Distribution Center. Special orders can be delivered during the week in which the order is placed, if the item is ordered before Wednesday.

Walter E. Fidler has been assigned as area supervisor for the local firm. His responsibilities include employee training, inventory control, management training and product knowledge training. In addition, training meetings are conducted periodically for specialized instruction of all phases of retailing.

The company symbol, "Mr. Friendly" will appear in all advertisements. Copeland believes "the Quad-City area should have a 'friendly' place to shop where a well-rounded line of items are displayed, with prices which appeal to the customer."

### GCHS Debaters Win 1st in Meet

The Granite City High School debate team won first place at the annual St. Louis University High School tourney Saturday, collecting seven victories to one loss.

On the team were Leslie Wright and Perry Dillard on the affirmative and Pam Hollis and Mariann Yevin on the negative.

Pam Hollis and Mariann Yevin were designated as the best negative team and the best two-man team at the tourney, and Pam Hollis was the top speaker among 110 debaters. She was presented a gavel. John Berkeley was third and Mariann Yevin was fourth.

Berkeley and Greg Jones won the junior varsity negative trophy at the recent Florissant Valley Community College tourney.

## 10 Baton Twirlers Win 21 Trophies in Contest

Ten Granite City girls won 22 trophies in a Class A National Baton Twirling Association sanction contest Saturday at Rolla, Mo.

They were among 21 baton students of Mrs. Sharold Yount, 1620 Ferguson Ave. A total of 800 youths were entered.

Winning the highest award was Lynnell Spanberger, 6, daughter of Mr. and Mrs. Jim Spanberger, 3016 Dale Ave. Her high point trophy was the biggest honor given at the contest.

She won the beginner division, scoring first in solo twirling and parade majorette, second in personality and fourth in beauty and fancy strut.

Victoria Huff, 6, daughter of Mr. and Mrs. Charles Huff, 106 Miskell Drive, won first in military march, first in advanced parade majorette, third in fancy strut, fourth in basic strut and fifth in personality.

Deanna Spanberger, 5, daughter of Mr. and Mrs. John Spanberger, 2164 Bero Ave., won first in basic strut and third in parade majorette.

Jan Easley, 11, daughter of Mr. and Mrs. Ronald Easley, 2512 National Ave., won third in

solo twirling and second in military march.

Donna Wofford, 8, daughter of Mr. and Mrs. Bobby Wofford, 1620 Bremen Ave., won third in military and fourth in basic.

Pam Brokman, 9, daughter of Mr. and Mrs. Cliff Brokman, 2024 Manley Ave., won first in military march.

Jackie Pahuski, 14, daughter of Mr. and Mrs. Charles Adams, 1 Violet Drive, won second in solo twirl.

Crystal Taylor, 6, daughter of Mr. and Mrs. Willie Taylor,

17 Marydale Ave., won second in parade majorette.

Pam Engle, 12, daughter of Mr. and Mrs. Verl Engle, East St. Louis, won third in solo twirl.

Zandra Yount, 4, daughter of Mr. and Mrs. Ray Yount, 1609 Ferguson Ave., won fourth in personality.

Others attending were Emilie Bookers, Tammy Arnold, Pamie Love, Tina Adams, Sally Hand, Lisa Williams, Marlinda McGraw, Jean Andrews and Desire, Melanie and Carla Vance.

The next contest will be in March.

## At Granite City High Student Council Calls For Dress Code Changes

The Student Council of Granite City High School is calling for significant changes in the school dress code policy.

A letter submitted to Lawrence McCauley, principal, and reviewed at a meeting of the Board of Education Monday night claimed that:

The policy is placing undue economic pressures on families now without jobs within the community.

The policy is subconsciously teaching students to undermine democratic rules.

The council points out that students without waivers must adhere to seasonal restrictions concerning pants and shorts. Because of the present economic situation in Granite City... parents cannot afford to purchase pants, dresses and shorts to be worn for a short period of time only.

Students should be allowed to wear these particular styles throughout the entire year simply because economical situations will prevent purchase of new clothes for each season, the letter reads.

It also claims that the percentage of students with waivers continues to grow and enforcement of waivers is becoming impractical for both faculty and administration.

Students are being taught how to undermine rules set by legal government boards and the policy prevents an educational experience in democracy, the letter said.

The council recommended: Abolishment of seasonal restrictions which would allow students to dress coolly or warmly in accordance to the weather. It is common knowledge that frosts could come before it was "seasonally correct" to wear pants, or hot weather could come earlier than when it was decided that shorts could be worn.

Archaic rules not being enforced done away with, educating the student to respect rules as a means to enhance

his educational process, not restrict it.

Relaxed restrictions would allow variance in dress styles, such as hair length, to be worn without constant dress code revisions. Elimination of the waiver would reduce administrative burdens placed on the school board and would allow them to use this time for better educational reasons.

The council pointed out that "we are not advocating complete dress code abolishment. We certainly feel that all students should dress neatly and cleanly. We also believe that all students should dress to

## Term of One Month Planned at McKendree

McKendree College next month will have its first one-month term, and indications are it will be an exciting experience.

Some students will be meeting off campus, as far away as London, New York and Mexico. Others will be listening to a visiting professor, Irving Dillard, former newspaper editor, discuss liberty under the Bill of Rights. Some will be taking such innovative courses as "Teach Yourself Workshop," or

comply with health and decency standards."

A report to the school board showed that McCauley believes the petition has merit, but no recommendation was made by the administration.

"Do Your Own Thing For Credit," an art course.

Several of the courses, ranging from Seminar in Sales Management to art, will be on a pass-fail system, without grades. The seminar in sales management course will include travel with company sales representatives.

The fact that the students will be taking only one course will open the way for intensive fieldwork, according to Emmerial Owen, dean of the college. One course in political science, according to the course description, will use the Lebanon community as a laboratory for the study of "The Politics of Rural America."

An objective of the course will be the formation of specific proposals which shall be offered to the mayor's office for consideration," according to the course description.

In many courses students will do considerable work on their

## Impressions of U. S. Lebanese Students

Chada and Bassam Khazen, a sister-brother combination from Beirut, Lebanon, attending Southern Illinois University-Southwestern, believe the U. S. should confine itself to problems at home.

"One SIU-SW student told me America doesn't have any domestic problems," Ghada said. "That's naive. What about your crime rate, your civil rights issues and your poverty, despite this nation's wealth?"

"It's too late for America to dominate," Ghada contends. "The age of colonialism is over, but the U. S. has had its hand in the Middle East and that is the same."

Ghada, whose family and friends tried to discourage her from coming to the States, says the first thing that impressed her about this country was the friendliness of its people.

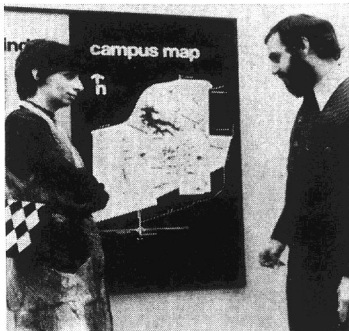

"I also like the teacher-student relationship which I did not experience at the American University of Beirut which I attended," she said. "In the United States students are given more opportunity to express themselves. Here it is not the grade which counts, but what you learn. I like that."

**Involved in Politics**

Comparing their country with ours, Ghada and Bassam Khazen say it is quieter here. "In Beirut everything is involved in politics," they commented.

"I think students in the U. S. should know more about what their country is doing, domestically and in foreign affairs," Ghada said. "Some of them don't even recognize the names of their politicians. We know every member of our parliament."

Members of Lebanon's parliament are elected according to religious divisions and every district is allowed a proportionate number, the Khazens said. The president of the Republic of Lebanon and the commander of the armed forces are Maronites. In addition to Maronites and Moslems, there are Catholics, Greek Orthodox and Shiites, a sect of Moslems. The

speaker of parliament must be a Christian. The prime minister is granted and imbibing isn't such a sin, the other Muslim a lark."

### National Drink

The national drink in Lebanon is called arak. Made of aniseed and fermented grape juice, it is known as "the milk of lions" because it is supposed to give you strength, the Lebanese couple explained.

The Khazens would like every American to see their home-land. "It is a tourist attraction," Ghada said. "Many come to see the cedars of Lebanon. Only 60 remain, and it's against the law to break their branches."

Lebanon, with its 4,600 square miles, has a population of three million. Ghada likes to climb the mountains of this republic at the east end of the Mediterranean, a hobby Bassam does not share.

Nov. 22 marks the anniversary of Lebanon's independence from French mandate. "It was a nice surprise this year to go into class and have an American say 'Happy Independence Day' to me," Ghada smiled in recollection.

Majoring in mass communications, Bassam came to SIU-SW a year ago. Ghada, an agriculture major, came this fall. She will transfer later to Carbondale, where a degree in agriculture is offered specializing in soil fertility, she says, "I like going into the fields. It's like a picnic every day."

Bassam, whose name means "happiness" or "someone smiling," says he has an American friend but isn't making any predictions about the outcome of this friendship. "It wouldn't pose a problem in my country if we were to marry," he says, "because so many American girls marry Arabs, especially Lebanese."

The striking, black haired Ghada, whose name means "a pretty girl," says "I share my ideals and ways of thinking, my future husband could be American, Chinese or Arab. I dream of being married to a simple commando, carrying a sword to free the land of Palestine."

Kepler, German  
Astronomer, Was  
Prodigy as Child

**Editor's Note:** Johann Kepler, 1571-1630, was a German astronomer whose studies of the motion of the planets helped substantially in laying the foundations of modern astronomy. This is one of a series on what famous people were like in their teens.

By BETT ANDERSON  
Copley News Service

Johann Kepler was a child prodigy. That fact warmed the cockles of his mother's heart. His father couldn't have cared less. He was a busy mercenary who would fight anybody's war if he were paid enough.

Johann's teachers were aware of their pupil's ability. They saw to it that he was awarded a scholarship to the Seminary at Adelberg. He was only 13. He had to get up when the roosters crowed, eat a puny breakfast, go to first class at six and to last class at sunset.

All of the students dressed alike in primitively styled coats with jagged holes for arms to be thrust through. The food was almost inedible. And everyone was compelled to converse in classical Latin at all times.

But Johann was a natural-born scholar. He thought the rigorous routine was the greatest. The result was that two years later, when he was 15, he was awarded a scholarship candidacy to the University of Tübingen. He passed the entrance exam with high marks and became a theological student.

As a theology major, Johann was expected to conduct himself with the greatest decorum. Roll was not called in his class. The students were on their honor to attend. Boys specializing in other subjects could drink and horse around. They often called Johann a goody-goody. He won them over to his side by joining in on practical jokes played on the professors.

Astronomy and math were required courses. Johann soon found that his favorite subject was the one dealing with the stars and planets. He learned to make calendars. He was fascinated by the new mathematics in astronomy as set forth by Copernicus.

Soon both Johann and the university chancellor realized that Johann was more interested in astronomy than a theology. But they could not foresee, of course, that Johann Kepler would go down in history as a great mathematician and astronomer. They only knew that the boy should do his thing even though it meant veering completely away from the path he had first chosen.

4-1-4 Calendar, Tests  
Can Cut College Costs

By taking advantage of McKendree College's new 4-1-4 calendar and proficiency examinations, students can cut their college costs by thousands of dollars, Dean Emeritus Owen pointed out today.

And there's another advantage often overlooked, Dean Owen said. The student can get on the job market a year earlier, so his first year's salary can be considered an additional saving.

"I know, because I graduated in three years," Dean Owens said. Room and board are not any more whether you carry 12 hours or 16, and I began earning a salary a year earlier."

The new 4-1-4 calendar lets any student complete his work in three years by attending school the year-around. While the tuition cost is the same as for four years, the student gets that first paycheck sooner—into graduate school, if that is his goal, Dr. Owen said.

The calendar cuts the normal school year into two four-month terms with a one-month term in between. In that short term students take only one course for intensive study, and four semester hours of credit.

For the superior student, proficiency tests provide a greater shortcut. Students may take proficiency tests administered by the college and receive credit for the courses if they can pass the tests. This is especially helpful in the general studies area where students are required to take a sampling of courses to guarantee a broad educational background.

If they can demonstrate proficiency in these areas, they can get on with their majors and markedly reduce their required courses. Dr. Owens said.

McKendree Choir to  
Hold Christmas Concert

The McKendree College Choir will present its annual Christmas Concert at 8 p.m. Sunday, Dec. 12, in the college gymnasium.

Under the direction of Prof. Glenn H. Freiner, the choir will present a concert of three sacred works, accompanied by a chamber orchestra.

Magnificat by Baldassare Galuppi. A Ceremony of Carols by Benjamin Britten, and the Christmas Oratorio, Opus 12, by Camille Saint-Saens, will constitute the program. Albertina Weygandt of Belleville will provide harp accompaniment to A Ceremony of Carols.

Twenty-nine McKendree students will sing in the choir, several in solo and featured performances. The concert is public and no admission will be charged.

## 17,000 Males Enroll In Home Economics

Almost 17,000 males were enrolled in home economics classes in Illinois public schools in 1970-71.

This is one of the sidelights of a survey of the state's home economics education programs, conducted by a Southern Illinois University researcher.

Dorothy Keenan, associate professor of home economics education at SIU at Carbondale, made a survey covering 1,842 of the state's 2,039 schools teaching grades six through 12. Miss Keenan conducted the survey under grants from the research and development unit of the Illinois Division of Vocational and Technical Education and from the SIU School of Graduate Studies and Research. Purpose of the study was to secure "base line" information about the total program of home economics as a prerequisite for evaluation and further implementation of the 1968 law requiring consumer education to be taught in all the state's public schools.

## Moonspinners 4-H Club Installs New Officers

The Moonspinners 4-H Club has installed its officers for the coming year and has completed plans for holiday observances. The group met Dec. 2 at Name-oki United Presbyterian Church. Mrs. Albert Malottki conducted the candlelight installation services, and each new officer received a corsage of a cluster of tiny bells tied with green ribbon. These bells were used as the theme for the ceremony.

Installed were president, Jo Marie DeRuntz; vice-president, Dawn Portell; secretary, Jane Federich; treasurer, Kathleen DeRuntz; and recreation chairman, Betty Ann Komadina. Names were drawn for a \$1.00 gift exchange which will take place at the December 16 holiday party.

The president announced a Dec. 9, 4-H Federation Meeting in Edwardsville: Jan. 20, first class in Mexican cross stitch at the church with Mrs. Ruth Brave as instructor. Carolyn Goldsack spoke on "Body Language", and Betty Ann Komadina presented a demonstration on "Queso, Mexican Cheese Dip", from her project on international foods.

Two new girls were welcomed into the organization. They are Betsy Slate and Debbie Schmelke. Other members present included Cheryl Bellue, Karen Ozbun, Linda St. Ivany, Rose Horbelt, Paula Nelbur, Lori Ma-lottki, Sandy Feeler, Rita DeRuntz, Tamy Duff, Mary Beth Favier and Mary Beth Winfield. Mothers present were Mrs. Pete Carich, Mrs. Roy Ponce, Mrs. James DeRuntz, Mrs. Jack DeRuntz, Mrs. Robert Stegmeyer and Mrs. Ray Uram.

Girls on the committee for the Christmas party are Teresa Butler, Donna Portell, Rosalie Ponce, Denise St. Ivany, Mary Jane Bushong and Betty Komadina.

NOTICE OF SALE  
Public notice is hereby given that, pursuant to a Decree of Foreclosure entered in said Court, in the above entitled cause, on November 30, 1971, I, MERLIN G. HISCOTT, Judge of the Circuit Court for the Third Judicial Circuit, Madison County, Illinois will on Tuesday, January 4, 1972, at the hour of 9:30 o'clock in the forenoon of said day, at the EAST FRONT DOOR OF THE COURT HOUSE in the City of Edwardsville, Madison County, Illinois sell at public vendue to the highest bidder for cash, the following described real estate, situated in Madison County, Illinois, to-wit:

A tract of land in that portion of the City of Alton formerly known as Upper Alton, and bounded by a line beginning at a stone set at the Northwest corner of Block Number Five, Upper Alton, and running thence in an Easterly direction along the South line of Judson Avenue (formerly Mechanic Street) Seventy-one feet, to the Northwest corner of land conveyed by Norman Carr and wife to Jane Huddleston, by deed of date March 28, 1906.

In memory of VIRGINIA WIFE (GALL) SUTTON, Dec. 12, 1970.  
Dear Mom: To know you was to love you. But to know you for our Mom was a very special treat. God put in extra effort when he made your dear sweet smile and he only gave you to us for a little while. And then he took you back with not too much pain. But our great loss was heaven's biggest gain. Now your hurts and tears are over and you are now at rest. We look back and say to God, we had the very best. A piece of all our hearts are missing but we know where they can be found—You took them with you Mom to that great holy ground. And some day in that lasting peace we'll see you one by one. To get that peace of heart you took from your daughters, Carolyn, Linda, Sons Darrell, John and Family.

In loving memory of ETCYL SNEELSON, Dec. 11, 1967. We do not forget him, we love him too dearly. For his memory to fade from our lives like a dream; our lips need not speak when our hearts mourn sincerely. For grief often dwells where it seldom is seen. Sad to hear of your passing. We will miss you. But dear to our memory you ever will be.

Sadly missed by WIFE, DAUGHTER and FAMILY

**J.E. Holderread Named To Development Post**

James E. Holderread has been named Director of Plant Location according to D. Reid Ross, executive vice president of the Regional Industrial Development Corporation (RIDC). In his new position, Holderread will be in charge of RIDC's Plant Location Department which is directly involved in efforts to attract out-of-town firms to the bi-state St. Louis region and to assist local companies with facility expansions.

RIDC is a non-profit civic organization whose services are available free of charge to companies considering expansion. All services are strictly confidential and include such things as industrial site and building searches, compilation of economic data, community information, and industrial site tours. The Plant Location Department's efforts are backed up by economic research done by RIDC's Economic Research Department.

Holderread previously was Senior Plant Location Specialist. He has been on the RIDC staff for three years. Prior to joining RIDC, he served as an air traffic control officer in the United States Air Force.

Holderread is a graduate of Eastern Illinois University. He resides in Edwardsville with his wife and three daughters.
